### Finishing:

Lay your single piece flat with the right side facing up. Fold the bottom third of the fabric up (stopping the fold just before the decreases) and seam up each side using a whip or mattress stitch. Flip right side out.

**Optional:** Add a decorative tassel to the point of the bag closure with remaining yarn or in a contrasting color.

**To create a tassel:** Cut 12 inch lengths of yarn, and bundle together. Fold the bundle of yarn in half, and use another 12" strand of yarn to secure the bundle at the halfway point. Use one more 12" length of yarn to wrap one inch below the center point, securing both ends of the bundle together.

**Optional:** To promote stability and limit stretch, line the bag with a fabric liner.
