

Curriculum Connections

Library

- To inspire collaboration with small or large groups of students within the library
- To connect to a special author, illustrator or book theme (example: Eric Carle)
- To celebrate special literacy events such as World Read Aloud Day, Dot Day and Read Across America
- To use in a library center option such as Dot Day Centers, Literacy Centers (Eric Carle), Makerspace Monday Centers, etc...

TECH TIE IN FOR LIBRARY:

StickTogether Virtual Stickerboards™

Art

- Introduce famous artists & piece of artwork
- Learn about colors and shading. Tie into the pointillism technique.
- Color recognition and mixing. Can they create their own out of paint or another medium?
- Create an original sticker board using the Pixel Art tool
- Use the StickTogether images to inspire other topics to create within such as landscapes, people, animals and more.
