

Curriculum Connections

Music

- Play music while working on sticker posters.
- Find music themed virtual sticker boards to complete.
- Pair up posters and music students will love. For example: Complete musically themed virtual sticker boards.
- Create Pixel Art while listening to a certain song or type of music. Have students share how the music made them feel while creating.

TECH TIE IN FOR MUSIC:

Create with Chrome Music Lab
bit.ly/musiclabsst

Science

- Design and build bridges from various materials while working on the Design (Bridge) sticker poster.
- Celebrate Earth Day with I Love The Earth sticker poster.
- Learn about the life cycle of a butterfly with Eric Carle stories and sticker posters, The Very Hungry Caterpillar and Beautiful Butterfly.
- Use the animal themed stickers posters for an Animal Research Project.

TECH TIE IN FOR SCIENCE:

Create a Community Garden with Pixel Art Tool
