

Curriculum Connections

ELA

- Create an imaginative story around a sticker poster.
- Write a story about a historical event from a sticker poster.
- Use a sticker poster as a story starter. Could also use StickTogether Virtual Stickerboards™.
- Write a collaborative story together on a piece of paper or in a Google Doc about a sticker poster. It would be fun to use StoryboardThat together to tell the story too.
- Pair the sticker posters up with books.

TECH TIE IN FOR ELA:

Use Adobe Express to create an imaginative story about the StickTogether Virtual Stickerboards™.

SEL

- Use the sticker boards while practicing relaxation and mindfulness.
- Collaborate with a friend or small group of friends as a way to decompress.
- Use sticker posters as a resource while teachers work with individual students or small groups.
- Tie the Stress Ball Balloons | Worksheet | Education.com to the Hot Air Balloon sticker poster
- Use the Resilience Series to highlight SEL topics.

TECH TIE IN FOR SEL:

Listen to relaxing music or do yoga with Cosmic Kids Yoga on YouTube.
