

Curriculum Connections

Social Studies

- Use the United States sticker poster to learn and review geography of the US.
- Include a QR code that links to MLK's I Have A Dream speech next to the I Have A Dream sticker poster for students to listen to this powerful message.
- Share the Statue of Liberty NPS virtual tour (bit.ly/SOLvirtualtour) when students complete the sticker poster.

TECH TIE IN FOR SOCIAL STUDIES:

ABCya Geography Puzzle
bit.ly/ABCYA-GP

Math

- Create patterns with the various sticker combinations.
- Practice math functions using stickers.
- Demonstrate an array within the completed sticker poster. Draw the array.
- Tally up the number of stickers it takes to create sticker posters.
- Challenge students to keep track of the number of stickers for the entire year of sticker posters.
