

OLIVE PENDANT

Interior Designer, and television personality Britany Simon collaborated with us to create an over-sized pendant for her client's large kitchen island. The Olive pendant is 100% real brass and spun on a lathe to create rounded, smooth lines. We apply our signature, maintenance free Modern Brass finish to bring you the highest quality piece for your home. Each shade will have unique markings on its underside, and are a testament to the handmade process. We like this piece for kitchen islands, entry ways, hallways, laundry rooms, and commercial settings. Offered in Modern Brass, and Black.
