

SCHIQUE

Dear _____,

Thank you for taking interest in our Affiliate Program! We hope that this is the start of a great working relationship.

Before you start, we wanted to advise you of a few key terms that will help us navigate this relationship.

First, you must be 18 years or older to participate in the Program. Second, your site or platform shall contain content that is consistent with Schique's brand and vision. Next, you should only use high resolution formats of Schique's logos (if you don't have them, ask us!). Further, you should send us the content you wish to post for approval (you take responsibility for the content of your posts if they are not pre-approved by us). Also, please no cross-branding unless it is explicitly approved by us. We don't want customers confused!

Lastly, any payment from us will be sent through PayPal. Make sure we have your most up-to-date information so that we may take care of payment as necessary!

We thank you for your time and wealth of experience that you bring to Schique.

Please make sure to sign at the bottom so we know you've read this letter :).

Have an irresistible day!

Jacqueline Schaffer, M.D.
