

Melamine Care Guide

Melamine Furniture Care Guide

Never use the following abrasive cleaners:

- 01 Jif, Vim, Ajax, Chemico, Brasso, Oven Cleaners, neat Janola, Wire wool, Scourer pads and Sandpaper

To clean:

- 01 Wash down with warm water with a small amount of detergent. For best results use streak free glass cleaner with a soft cloth
- 02 For textured finishes (stipple, wood grain etc) the periodic use of a soft brush may be necessary for the removal of dirt build-ups and residues left by some spray-on cleaners

Spillages:

- 01 Hair rinse, Janola (neat), Oven cleaners: Wash with hot soapy water then wipe dry
- 02 Fabric dye: Wash with cold water, then wipe dry. Then apply methylated spirits, and wipe dry
- 03 Battery acid, Hydrogen Peroxide, Glue Hardeners: Wash with cold water, then wipe dry
- 04 Hair dye: Wash with methylated spirits, then wipe dry
- 05 Leather dye: Wash with methylated spirits, then wipe dry. Follow with mineral turpentine wash and wipe dry

Stain and mark removal:

- 01 Stubborn marks or stains: Apply Handy Andy or diluted Janola (1 part to 3 parts water), then wipe down with a warm damp cloth
- 02 Smearing, finger marks, marking from hot or cold dishes, stickiness: Apply 1 or 2 applications of acetone (available at pharmacies) and wipe over with dry cloth
- 03 Newsprint: Use methylated spirits or mineral turpentine
- 04 Rust: Use vinegar or lemon juice
- 05 Pencil: Use water and a damp cloth
- 06 Felt pen or dry marker: Use methylated spirits or acetone
- 07 Paint: Use acetone or Duco Lacquer thinners (from a paint shop)
- 08 Glue (Contact type): Use Ados Solvent N (from a paint shop)

With any of the above use streak free glass cleaner to remove any residues.
