Distributed by 

Searching for misplaced items such as your keys, phone, or purse is a waste of valuable time and could be very costly.

**Welcome to Chipolo...** your security for items you never want to lose! Whether your item is simply misplaced or worse, lost! Chipolo can help.

Chipolo Classic is an easy solution to keeping track of your keys, purse, bookbag, cell phone, and other important personal items.

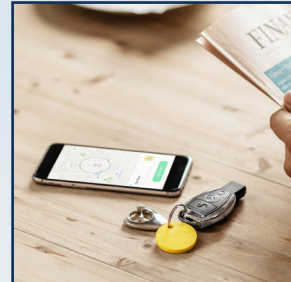

**Setup is as easy as 1, 2, 3**

1. **Simply download the free Chipolo app**
2. **Attach Chipolo to your item**
3. **Ring Chipolo from your phone app to locate your misplaced item**

Chipolo can also find your phone... even if it's on silent! Just double click the Chipolo device and listen for your phone to ring.

- When misplaced becomes LOST, the Chipolo community can help with the "lost item" locator. Whenever another active Chipolo user passes within range, the app will send a message to the owner of the lost item letting them know where it was last located.
- To expand the possibilities, Chipolo devices may be shared between app users.
- Ring Chipolo handsfree by using Google Assistant, Amazon Alexa or with Siri Shortcuts.
- Chipolo can be heard over surrounding noise. Rings at 92db.
- Selfie feature, use Chipolo to take a picture from your phone
- CR2025 battery is quick and easy to replace
- Compact and lightweight at 1.385" X 0.2" (35mm x 5mm) diameter and weighs only .24 oz (6.8g)
