

FAIR GO! 23

Ballina's own Fair Go skateboard competition is now into it's 23rd event!

It is one of the longest running skateboard competitions in the country and always has high competitor numbers, amongst the highest for any skateboard competition in Australia!

Competitors and spectators keep coming back each and every year and we know that this year that will be true again as people are more comfortable travelling after recent times. We will be running park and bowl events over two days and we know we will attract some of the highest participation numbers of any event in the country. This is better suited to the amount of competitors we get and that way everyone gets a Fair Go! That also means DOUBLE the value for your sponsorship dollar.

We can't do this without the financial support of the local business community and the skateboard Industry, we aim to raise over \$10,000 cash plus prizes. We know that this is a unique opportunity to expose your brand to a youthful and exciting audience and there are several sponsorship levels to consider. Below is a visual example of some of the best signage display at the park although there are many others (many visible from both sides). Also Sponsor marquees or banners can also be erected on site, tell us how we can best display and market your brand or company to our audience.

Our event will be sanctioned through the Australian Skateboarding Federation (ASF) we will attract some of Australia's best riders to come skate and stay in the Northern Rivers. After the successful introduction of skateboarding in the Olympics and Paris 2024 fast approaching, plus the current crop of Australian riders across the globe on the podium, events like ours are important for fostering the dreams of future Olympians & X-Games medalists. We always make Fair Go as much fun as possible and all skill levels are encouraged to join in and have a go because to us, that's what it's all about!

Sponsorship Opportunities
