

Easy Tips to Look After Your Bed Linen With Care

Bed Linen Care, A Simple Guide

Treat Stains Straight Away

Ink: soak in milk, or in soap-and-ammonia mixture, and rub the spot

Blood: rinse immediately in cold water

Red wine: rub immediately with sparkling water or white wine

Greasy stains: rub with ammonia

Fruit, coffee, tea, or chocolate: rub with alcohol, white vinegar, and ammonia

These are the washing care steps

#1

Unfold your linens completely before washing

#2

Wash at max of 40 degrees C (104 degrees F)

#3

Tumble dry on low or medium heat. Better still, dry on a line

#4

Iron with steam on slightly damp linen (iron on the inside)

Congratulations !

You now have a simple care routine that will help your bed linen last and keep it looking fresh.
