

# WYSD-EC-002

## ASSEMBLY INSTRUCTIONS:

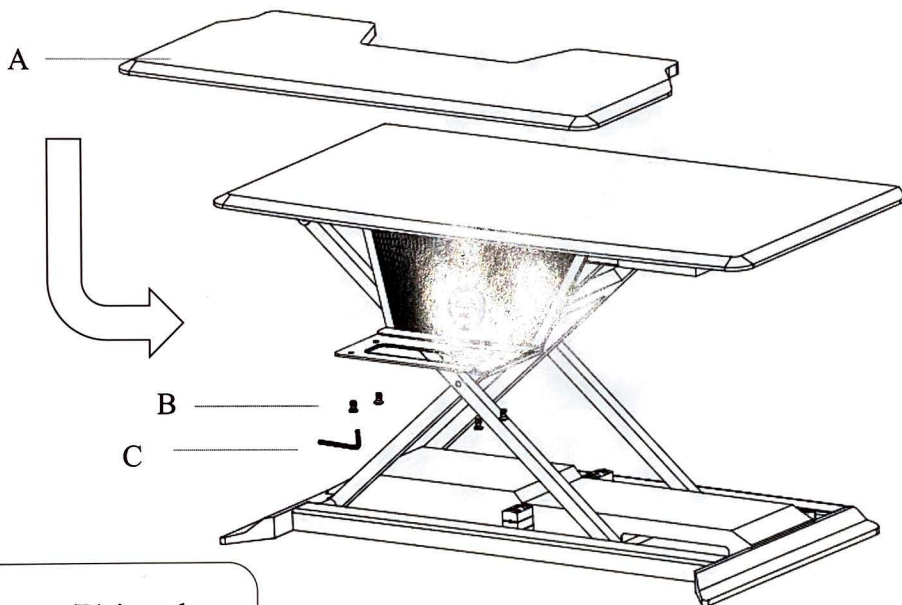

**Attach the keyboard tray to the desk using (8) screws and tighten with the included hex key.**

**Warning:** Pinch points are present when the desk is in motion. Keep fingers free of moving parts while raising or lowering the desk.

**Warning:** Keep all monitors / keyboards / laptops and other devices fully on the desk without overhang. Ensure the bases of all devices are in full contact with the desk to avoid the risk of them falling off and causing damage or injury.

## One-step installation

2

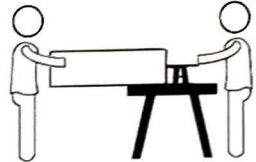

Install four screws (B) into the keypad tray (A) with a six-hole screwdriver (C)

# Electric Standing Desk    WYSD-EC-002

# PLEASE BE CAREFUL!!!!!!!!!!!!!!!!!!!!!!

**WARNING:** Do not open any of the components, there is a danger of electric shock.

**WARNING:** Risk of finger injury-pinching hazard. Use caution when lowering desk.

**WARNING:** Keep plug away from heated surfaces.

**WARNING:** Never operate this product if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or dropped into water. Contact our customer service department during business hours to report any issues. Our customer service team will provide a replacement if necessary.

**WARNING:** The Electric standing desk is not intended for use by young children or for those persons who require supervision.

**WARNING:** To reduce risk of fire, electric shock or personal injury, use only indoors and do not install in a wet or damp location.

**WARNING:** Keep monitor and laptop base fully on the worksurface. Allowing any part of stand to hang off the edge may result in property damage and or personal injury.

**WARNING:** Do not place hands on or near support bars. Pinch points are created during lifting and lowering the worksurface. Failure to follow these instructions may result in serious personal injury.

**CAUTION:** Beverages such as water or coffee could cause product failure if spilled.
