# CUSHION

**NO CUSHION**

- A thin knit with no lift from terry loops.
- Our lightest and lowest profile socks

**STANDARD CUSHION**

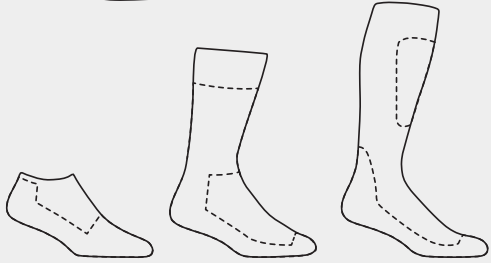

- Our most popular, versatile cushion style.
- Targeted cushioning in high wear zones.

**CONTOURED CUSHION**

- Cushion sculpted to match your activity.
- Extra protection in the ankle and Achilles.

**FULL CUSHION**

- Fully wrapped with soft terry loops.
- Our heaviest and warmest socks.

**TARGETED CUSHION**

- Adds terry loops beyond just underfoot.
- Strategic cushioning hones in on critical zones.
