### This Week's News

- [Events: Mary on the Airwaves!](#)

Good morning,

If you know someone who could benefit from home delivered meals, whether on a regular basis or as an occasional backup, let us know! We want to nourish them “with meals that delight.” See the upcoming events for opportunities to try our food and learn more about us.

This is the final week to order from the Winter Menu. Order now through **Friday, Feb. 7**, for delivery on **Wednesday, Feb. 12**. But if you forget to order by Friday, contact us anyway. There is always frozen food that is available. Place your order online at [savoryfareinc.com](http://savoryfareinc.com), email us at [Mary@savoryfareinc.com](mailto:Mary@savoryfareinc.com), or call 401-454-4955.

Do you know someone — maybe your mother or father, or a neighbor — who might benefit from our service? Someone who might be choosy about their food but does not take kindly to suggestions from friends and relatives? Someone you suspect may not be eating well or eating enough who seems to need help in order to get better meals but who doesn't like to ask for help?

Bring that someone along to our Birthday Bash! We'll have plenty of food to taste, cooking demonstrations to watch, a taste test to choose a new dish, team members to ask about what you'd like to know, a raffle, a birthday cake, and lots more!

With warm wishes,

Mary and the Savory Fare Team
