Winter Menu

A new curry! [Indian-Style Curry with Chickpeas, Potatoes, and Cauliflower](#) — simmered with herbs, tomatoes, and aromatic spices and served over rice.

Congested and sniffing? Some swear by the healing powers of garlic! Clear your stuffed head and tickle your taste buds with the help of [Chicken with Cloves of Garlic](#). For garlic lovers!

[Turkey Patty with Mushroom Gravy](#) features a patty of ground turkey seasoned with cornbread and accompanied by a red wine mushroom gravy. [Mashed Butternut Squash with Raisins](#) would make a good side dish.

A new, tasty and colorful soup: Everyone who tastes the [Carrot and Orange Soup](#) starts smiling (and goes for seconds). Order more and invite a friend over to share the experience!

Host Your Own Tasting Party

Do you know people who could benefit from our home delivered food? Host a tasting party and cooking demonstration at your own home or community center!

Invite us to your home or another setting that's your Happy Place for a group of six or more. Six to eight people is a good number for a gathering of this kind. We can quickly heat up and serve samples of our dishes while swapping stories about shopping, cooking, food . . . And a house with an open plan kitchen

is a great setting for a cooking demonstration! Call Mary at 401-454-4955 or email her at mary@savoryfareinc.com. If you're interested in hosting a party but need a venue, call Mary to discuss!
