Good morning,

Here we had a wild middle of the week with a windy and rainy noreaster — sounds like East Bay had a scary time ahead of Halloween! but Mary missed it, except for our updates. She's been in the kitchen in Chattanooga with her granddaughter, making a carrot cake!

Yes, our intrepid drivers braved gusts and swaying bridges and the possibility of blocked roads to bring your food, answering with nonchalance, "All okay" to my anxious queries the next day. But this was a timely reminder that we should be watching the forecast for tricky weather on delivery days (yes, *days* in the plural —scroll down!), so we can anticipate any necessary adjustments.

**Wednesday afternoon, Nov. 10.** Place your order online at [savoryfareinc.com](https://savoryfareinc.com), email us at [mary@savoryfareinc.com](mailto:mary@savoryfareinc.com), or call 401-454-4955.

### [On the Rhode: Delivery Day Options Coming! Drivers Needed](#)

**Soon: Two delivery day options per week!** Just in time for the December holidays, for your convenience we'll be adding a Friday delivery day! So, we'll be delivering on both Wednesdays and Fridays. The first Friday in December will be the first day for Friday deliveries.

Plenty of information will be coming in the next few weeks — a little at a time — to whet your appetite for being able to make that crucial decision: “Should I order for Wednesday delivery or Friday? (Or both?)”

**Drivers needed for South County and Barrington:** Experience the pleasure of a couple of hours' driving in our beautiful state, bringing good food to people's doors — not to mention bringing home two entrées yourself! If you introduce us to someone who wants to drive for us, you will receive 25% off your next order!

### [Distinguished Members of the Late Fall Menu](#)

Colorful [Chinese Chicken](#) is this menu's top-seller: “It tastes so good!” team member Shelby said today. The seasonal items like [Brandied Pork Chop with Apples](#) and [Apple Cider Chicken](#) are not far behind.

On the seafood side, [Shrimp Scorpio with Buttered Orzo](#) is something people like to stock up on. [Pot Roast with Mushrooms and Red Wine](#) along with [Maple Mashed Sweet Potatoes](#) make a satisfying match!

For a delicious lasagna full of butternut squash roasted with garlic, layered with cheeses and spinach, and topped with a rosemary-scented sauce, order [Roasted Butternut Squash and Spinach Lasagna](#).

Sometimes a simple egg dish is all you need, like a cheesy frittata with two kinds of mushrooms and scallions, [Mushroom Frittata with Pecorino](#). Just take a bite and try to identify all the ingredients!

### [EAT WELL, DO GOOD](#)

When you add the \$8 item called EAT WELL, DO GOOD to your order, you provide a delicious meal for a Rhode Islander in need while supporting your local food industry! Thanks to Hope & Main's "[Buy One/Give One](#)," community-supported meal share program, we've been able to cook and supply the good food you order for your neighbor!

To order online, select the item [EAT WELL, DO GOOD](#) from the Order dropdown on our website at [www.savoryfareinc.com](http://www.savoryfareinc.com). If you order by phone or email, let Mary or Annette know that you'd like to help!
