

## Assembly Instructions

### Foldable Aluminium Goal

Goal is supplied in fully assembled form, and in the folded position, as seen in picture 1.

#### To unfold it :

- i) Take it out the box and put it flat on the ground. Open out the two halves as seen in pic 2.
- ii) Unfold it by lifting the left & right sides.
- iii) Remove the locking pin , insert the left half of the bottom bar in the right half, align the hole and insert back the locking pin as shown in pic 3.
- iv) Fix the two Velcro straps one on either side of locking pin.
- v) Put the goal in the upright position and it's now ready for use as seen in pic 4.

**Must fix the 4 anchor hooks (provided) to hold the goal fast on the ground before starting playing.  
Fix one each on side bars and two on the bottom bar.**
