

RetailEZ Kup™ with KlipzEZ™ or ShelvzEZ™ Installation Instructions:

How to install KutzEZ™ and KutzEZ Mini™ products onto pallet racking using the KlipzEZ™

Attach KlipzEZ™ clip to the pre-loaded RetailEZ Kup™ container by slipping the cup DOWN onto the clip until it clicks into place.

Align KlipzEZ™ teeth with the pallet racking slots/holes until at least 2 of the clip teeth click into place. For the most secure placement, utilize all 4 teeth into the pallet rack. *Please note- The ideal placement at shelf is at eye level!*

How to replace or remove an empty RetailEZ Kup™ using KlipzEZ™

Pinch the KlipzEZ™ engaged teeth and gently pull the RetailEZ Kup™ straight out from the pallet racking slots/holes.

Push the button on the back of the RetailEZ Kup™ and slide the RetailEZ Kup™ UP releasing the KlipzEZ™ clip.

3. Replace the new pre-loaded RetailEZ Kup™ onto the KlipzEZ™ clip as per the previous instructions. (How to install KutzEZ™ products onto pallet racking; Steps 1 & 2 on the other side)

How to install ShelvzEZ™ on Lozier or similar shelving using the ShelvzEZ™

IMPORTANT NOTE:
Mount ShelvzEZ™ bracket first on the desired shelf before sliding the RetailEZ Kup™ with KutzEZ™ knives onto ShelvzEZ™ receiving bracket

Align the three (3) curved teeth on ShelvzEZ™ clip at a ~45 degree angle into the second row of holes (from the front of the shelf) and rotate the clip down onto the shelf surface. The bottom teeth will align with the first row of holes on the shelf securing the display in place.

Attach ShelvzEZ™ clip to the pre-loaded RetailEZ Kup™ container by slipping the cup DOWN onto the clip until it clicks into place.

How to replace or remove an empty RetailEZ Kup™ using ShelvzEZ™

Push the button on the back of the RetailEZ Kup™ or ShelvzEZ™ and slide the RetailEZ Kup™ UP releasing the clip. Replace the new pre-loaded RetailEZ Kup™ onto the KlipzEZ™ or ShelvzEZ™ clip as per the above instructions.

Rotate the ShelvzEZ™ straight up and tilted towards the back of the shelving unit to ~45 degrees and gently guide the three teeth out of the shelf holes.

3. Replace the new pre-loaded RetailEZ Kup™ onto the KlipzEZ™ clip as per the previous instructions. (How to install KutzEZ™ products onto pallet racking; Steps 1 & 2 on the other side)

Please recycle RetailEZ Kup™, KlipzEZ™ and ShelvzEZ™ when empty.

Push the button on the back of the RetailEZ Kup™ or ShelvzEZ™ and slide the RetailEZ Kup™ UP releasing the clip. Replace the new pre-loaded RetailEZ Kup™ onto the KlipzEZ™ or ShelvzEZ™ clip as per the above instructions.

Rotate the ShelvzEZ™ straight up and tilted towards the back of the shelving unit to ~45 degrees and gently guide the three teeth out of the shelf holes.

3. Replace the new pre-loaded RetailEZ Kup™ onto the KlipzEZ™ clip as per the previous instructions. (How to install KutzEZ™ products onto pallet racking; Steps 1 & 2 on the other side)

Please recycle RetailEZ Kup™, KlipzEZ™ and ShelvzEZ™ when empty.

Parts included:

RetailzEZ Kup™

KlipzEZ™

ShelvEZ™

Please Note- The KutzEZ™ and KutzEZ Mini™ products can be displayed using the RetailzEZ Kup™ at the cash wrap without the KlipzEZ™ or ShelvEZ™ clips. TrustPoint Products recommends storing the clips in a safe place for future use on pallet racking or shelving if desired.

Signage Hardware Options

Option 1- Sign Holder for Top of RetailzEZ Kup™
Two-sided sign holder is ideal for use on the back wall of the RetailzEZ Kup™ (Ideal for cash register areas!)

Option 2- Sign Holder for Bottom of RetailzEZ Kup™
Sign holder has adhesive on one side to attach to the bottom of the RetailzEZ Kup™. (Creates best awareness in-aisle!)

There are two (2) options provided for displaying KutzEZ™ signs:

Option 1- Top Placement
(Ideal for cash register areas!)
Leverage the two-sided sign holder positioned on the back KutzEZ™ wall.

Option 2- Bottom Placement
(Creates awareness in-aisle best!)
Leverage the sign holder with adhesive for bottom placement of the signage.
