## 1. IDEAS & SKETCHES

Come up with 3 things that you like, care about, want to share, or just think would be cool on sunglasses that you and your friends would like to wear! Explore colors, shapes, patterns, and pictures. Doodle and have some fun. Feel free to share your ideas with your friends or teacher and see what they think.

## **2. FINAL DESIGN**

Take your favorite idea from the first page and turn it into a pair of sunglasses! Take your time and think about all the details. Share your final design with your teacher and class!
