Description

We present our wall unit with 2 drawers and auxiliary shelves of the new line of bathroom furniture of the Venus series, a family of modern European style vanities with which you can configure your bathroom in the way that best suits your needs. The design of drawers with hidden handles makes the line attractive and unique. Supplied with an integrated white porcelain sink with a single hole for the drain and faucet system. The top has the sink offset so it provides a perfect place to place freestanding bathroom accessories. Transform your bathroom with this line of furniture specially designed to meet the expectations of our most demanding customers.
