## Description

Bidet shower without valve. Belongs to the Smart collection. This series has a wide variety of pieces to cover all consumer needs. It is an economic bidet shower that must be complemented with a water valve with connection for the toilet water inlet. Easy to install, no work needed. It is connected to a water valve that is installed in the toilet water connection (valve not included). Made in ABS and polished chrome finish will make your product stand the test of time like the first day.
