Description

Complete the sink of your vanity with this square pop-up drain without overflow system from the Vanity Complements family. It is constructed of solid brass for a lifetime use without problems. Designed to work with glass, stone, ceramic or any sink with a 2.25 inch drain opening, this emergent drain fits most copper bath sinks and drainage openings over 2.25 inches. The drain assembly includes two rubber seals for easy installation and tail pipe 1/4 inch.
