bathonomy ShowerDrain

ShowerComplements
Tile Shower Drain
Floor Mount - 4"

Features

Remove barriers on the floor of your shower with our exclusive designed drains. Compatible with different floor structures (plywood, concrete, etc.) and designed specifically for installations with waterproofing (shower pan liner). They can be installed next to the walls or in intermediate locations in showers. Manufactured in a formed stainless steel channel body and a inset tile cover assembly. The connection to the standard 2 "drain outlet makes it suitable for new constructions and renovations, the removable cover facilitates cleaning, complies with the standard of product performance and with the Uniform Plumbing Code (UPC).PVC shower drain flange included.Available in different sizes.

- 4"x4" insert tile cover
- Removable inset tile cover for easy cleaning.
- 2 inch drain hole.
