

# MAGicSnap Cable Tray Installation Instructions

Part #: 15898-SM-ASM

Part #: 15898-ASM

May 2017

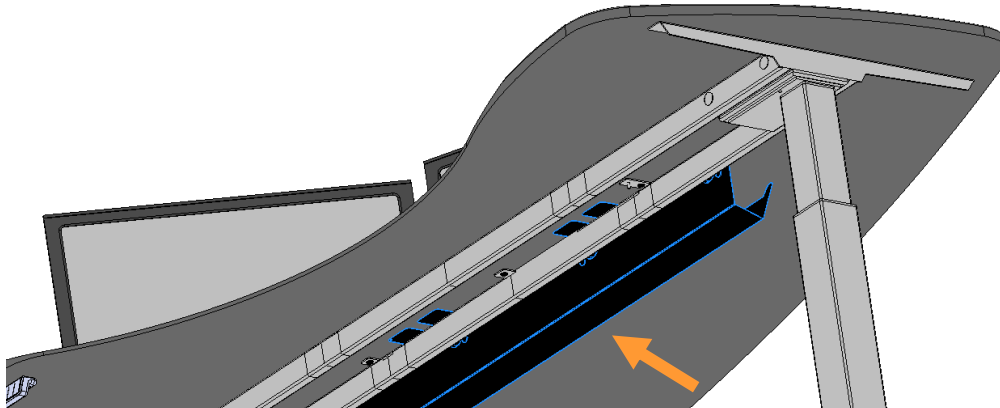

1. Remove the MAGicSnap Cable Tray from its packaging.
2. Position the flanges of the MAGicSnap Cable Tray on the back side of the table between the work surface and the frame of the table.

(Avoid the work surface mounting screws by positioning the flanges around the screws.)

3. Move the MAGicSnap Cable Tray towards the frame until the magnets engage.

\*Take care to keep fingers from being pinched between the table frame and the MAGicSnap Cable Tray.

4. Manage your cables into the MAGicSnap Cable Tray. Additional MojoDesk accessories such as the MAGicSnap Energy Chain or Economy Cable Sleeve Kit are useful solutions to help create a better organized desk.
5. Enjoy your MAGicSnap Cable Tray!
