Stretto Aluminium Linear Extrusion Strip Light

INSTALLATION GUIDE

IMPORTANT

Must be installed and assembled by a qualified electrician.

INSTALLATION ADVICE

- Always switch off mains supply before installation.
- Ensure luminaires are installed and fitted by a qualified electrician ensuring the installation complies to the current building regulations and AS/NZS 3000.
- These products are designed for connection to a 220-240V 50Hz supply.
- Any broken or damaged parts should be replaced as soon as possible. We will not accept responsibility for any claims arising from a poor installation.
