

Dual Monitor Stand

Articulating Aluminum
Monitor Stand

We provide a Multiple monitor stand (Premium Quality with long adjustable arm) with 2 monitor or dual display ability with freestanding and horizontal display solution. This LCD Monitor stand is an ergonomic Workstation that help to maximize the desk space and reduce the back pain and neck pain.

Our monitor arm is easily adjustable, allowing you to work in a more comfortable, ergonomically correct position to reduce neck and eye strain. The contemporary design will surely assimilate into nearly any environment, it is ideal for homes, dorms, schools, businesses, offices, IT networks, manufacturing plants, etc

Each monitor can tilt up 15 degrees or down 15 degrees. with -15 ~ +15 degree Swing. You don't need to bend yourself at your workstation anymore, effectively reducing the pain on your neck and back and making you productive

A simple cable management clip snaps onto the centre pole keeping AV and power cords clean and organized. Cable clips keep potentially messy cords organized and out of the way for a clean appearance.

Combines Value and Versatility
into a single product solution
