

Triple Monitor Stand (3MSCT)

Keep Your Desk Surface Nice

Clear up valuable desk space by winning back the area that three individual monitors would require. Integrated cable management is included to keep AV and power cords clean and organized via clips along the arms and center pole. Steel Construction and sturdy design ensure sufficient support for three computer monitors weighing up to 22 pounds each! Full articulation of this stand includes adjustable arms that offer -90° to +90° tilt.

Material: Steel & Aluminum

Finish: Powder Coating

Color: Black

Clamp Type: C-clamp with dual locks

Monitors slide across the arm to accommodate all different size monitors, VESA 100 x 100 or 75 x 75 compatible

This Triple monitor stand will hold most monitors up to 27 inches

Screens can be rotated from landscape to portrait on the fly

Adjust the height by two bolts to ensure the monitors in position

It's very easy to line-up the multiple monitors by shifting them through curved tubes

The height of each monitor can be adjusted individually.

Model CURVE-T Shown
