

Triple Monitors Free Standing Mount

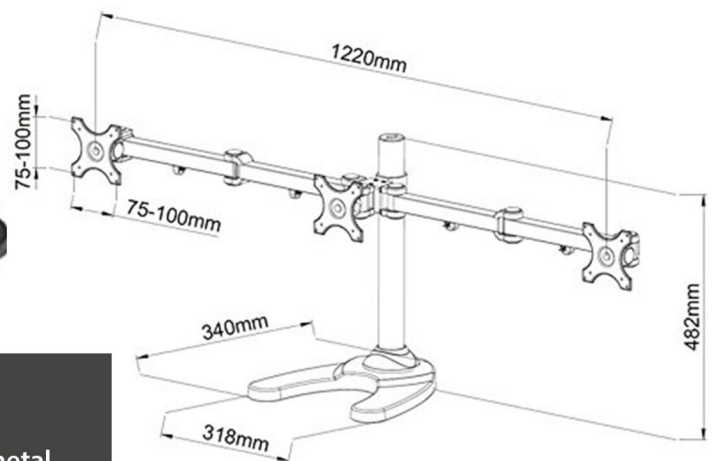

3MSFHW

Color: Black
Material type: Metal

Dimensions

The free-standing bracket has been made from strong black metal struts, which ensure that the monitors are held securely and stable. Each of the 3 monitors that are mounted on the bracket can weigh up to 8kg/arm. The pedestal itself weighs 9.5 kg. You can mount monitors with a minimum size of 13" (33cm diagonal) and up to a maximum size of 24" (60,9cm diagonal) on this bracket. They are suitable for the VESA 75 x 75 and 100 x 100mm standards. With this bracket you can always trust that you will have a perfect view of your monitor, and will be able to recognise everything clearly and without glare.

Features

- 1 Supports up to three displays between 17-24" W with a maximum weight of 8 KG.
- 2 Flexibility to join or separate monitor, choose the arc angle for maximum comfort , tilt up and down +/- 45°, Swivel displays side to side , rotate monitor 360 degree in portrait and landscape shape.
