

Hex Monitor Stand Desk Mount 6MS-CT

This mount is capable of supporting and adding dynamic movements to your monitors.

Monitor Size: 13"-27"
Material: Steel & Aluminum
Finish: Powder Coating
Color: Black

Clear up Desk Space Create a clean and uncluttered workspace by getting six monitors off of your desk surface and elevated to a comfortable viewing height. This leaves room for important projects, accessories, decor, and your favorite coffee drink! VESA Mounting Standard VESA holes (75x75mm and 100x100mm) fit most screen.

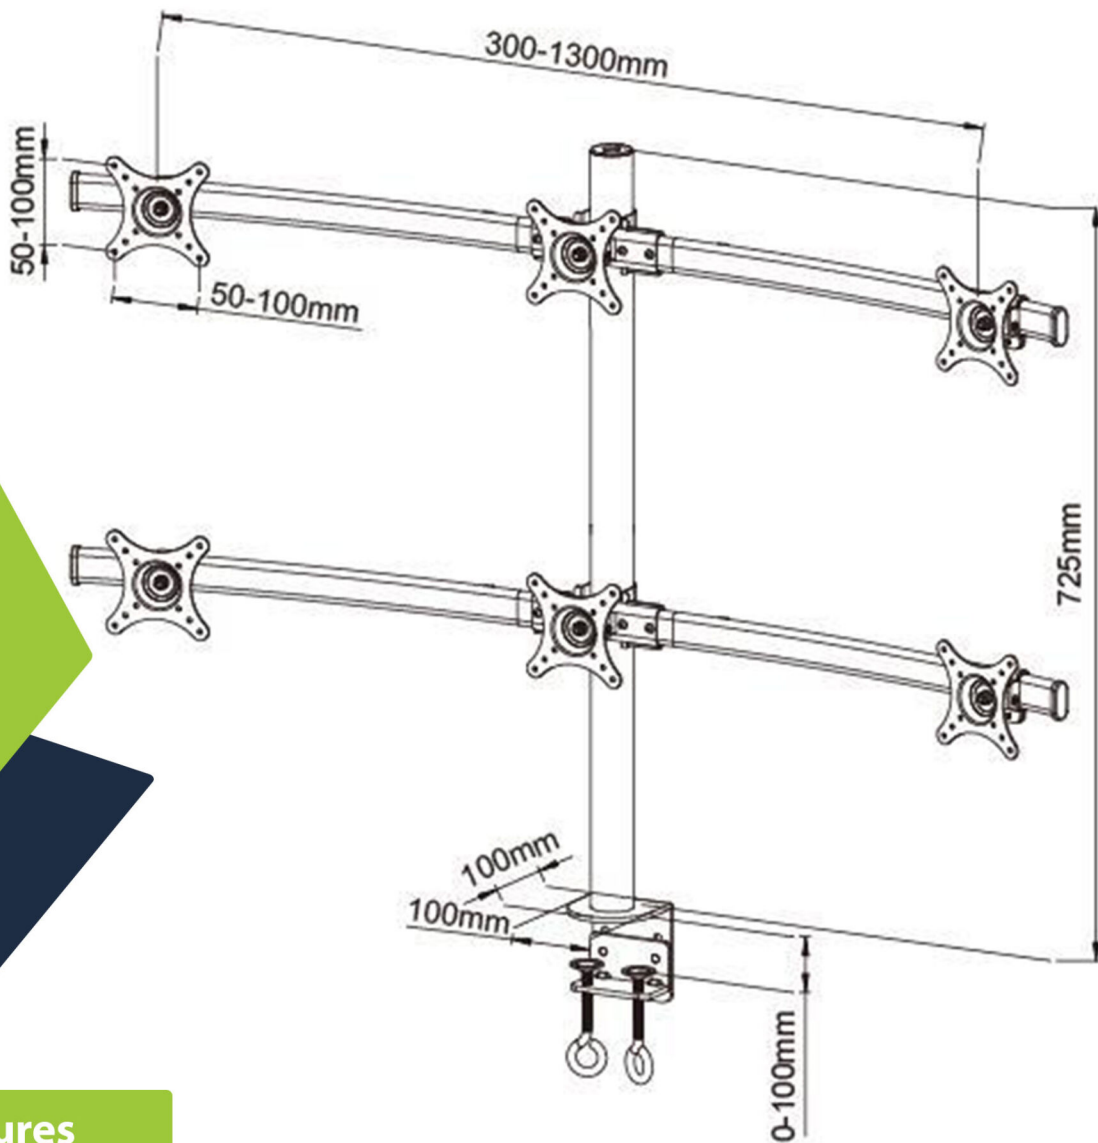

Each display will have its own set of tilt and pivot movements. **Tilt 15 degrees** up or down to reduce sun glare, or swivel **180 degrees** for better viewing angles.

The curved arm design creates the **cockpit effect** to find a focal point for optimal image quality of every monitor.

High Grade Steel and Aluminum with Ultra Heavy Duty **"C"** Clamp

DIMENSIONS

Features

1. Hex (6) monitor arrangement for work, gaming, relaxing, security, monitoring and other multiple screen applications. This mount is capable of supporting and adding dynamic movements to your monitors. Ideal for homes, businesses, dorms, schools, labs, production lines, factories, manufacturing plants etc.
2. **FULLY ADJUSTABLE:** Each display will have its own set of tilt and pivot movements. Tilt 15 degrees up or down to reduce sun glare, or swivel 180 degrees for better viewing angles. Rotate monitors from landscape to portrait without ever uninstillation/unmounting. Create ergonomic environments within seconds.
3. **CURVED ARM HEIGHT ADJUSTABILITY:** Each screen can be vertically adjusted along the curved arm. The curved arm design creates the cockpit effect to find a focal point for optimal image quality of every monitor. Adjust the height of each arm along the notches on the pole.
