

Hex LCD Monitor Desk Mount Stan 6MS-CTW

Fully Adjustable 6 Screens Upto 24"
Articulating Arms

Arm Span: 1226 mm

Clamp Thickness: 0mm-100mm (0.39" - 3.9")

Material: Steel & Aluminum
Finish: Powder Coating
Color: Black

Six arm monitor mount allows you to clear out your desk space, while providing ergonomic monitor installation height. Economical and dependable, mechanical monitor arms allow several height options for placing your monitor in the best ergonomic position, while offering more desktop space. The heavy duty dual C clamps secures the mount to the edge of the desk. No drilling required. The arms that support the monitors can be adjusted on the vertical tube for the best height adjustment. Articulating arms allow swivel function up to 360 degrees with 15 degrees of tilt at the mounting panel. High-quality materials used at the joints allow for fluid movement, without the need to locking it in place. Every joint is able to be tightened, so you can adjust exactly how fluid/stationary you want everything, simply remove the cap on the joint and tighten the bolt underneath.

Holds Six Screens up to 24" and 22 lbs each with VESA Mount 75 X 75 & 100 X 100 mounting holes

+15 degree to -15 degree tilt, 360 degree swivel, 360 degree rotation, and height adjustability for optimal viewing angles
