

MULTIMEDIA STAND

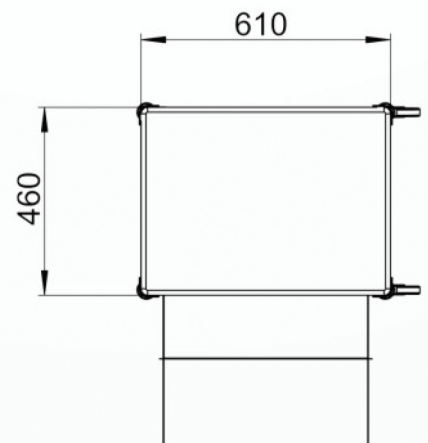

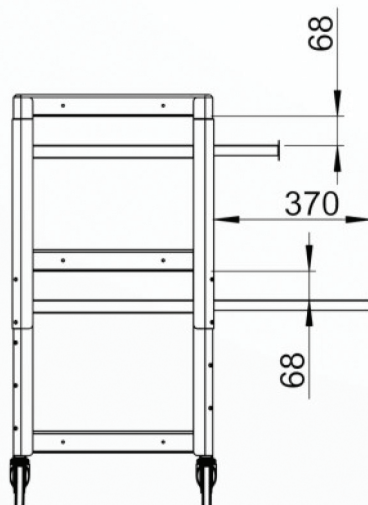

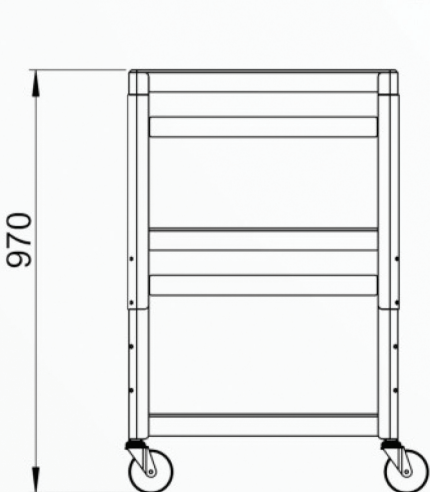

Audio-Visual Mobile Carts safely store, organize and transport your office products (like computers, projectors, TVs, AV equipment, printers and laptops) for your lecture or business presentation. Once you get set up, our carts double as stands that securely hold your projector or TV at just the right angle for optimal visibility. Choose from a variety of sizes and designs that make a great fit in any classroom, office or conference room.

Perfect for the office or classroom in transit, this Metal Adjustable AV Cart by serves all the basic purposes one needs to put on a great office or commercial environment like education or hospital . This cart is made from durable heavy gauge steel and features an adjustable design to fit all your AV and office needs. A power cord and four-outlet strip also ensure that your laptop, projector or TV are powered wherever you bring your cart.
