

ELECTRIC DUAL MOTOR STANDING DESK (DM9)

DESCRIPTION

Transform your desk with Height Adjustable, Electric, Sit Stand Desk Frame that allows you to find that much needed healthy balance of sitting and standing throughout the long work day. Poor posture puts unhealthy strain on your back and neck, but the electric desk frame elevates your workstation to an ergonomic height while encouraging healthy movement. The dual motor system supports more weight and lasts longer.

Adjust the height of your desk with a simple press of the control panel. Save up to 4 memory settings to automatically adjust to your perfect height.

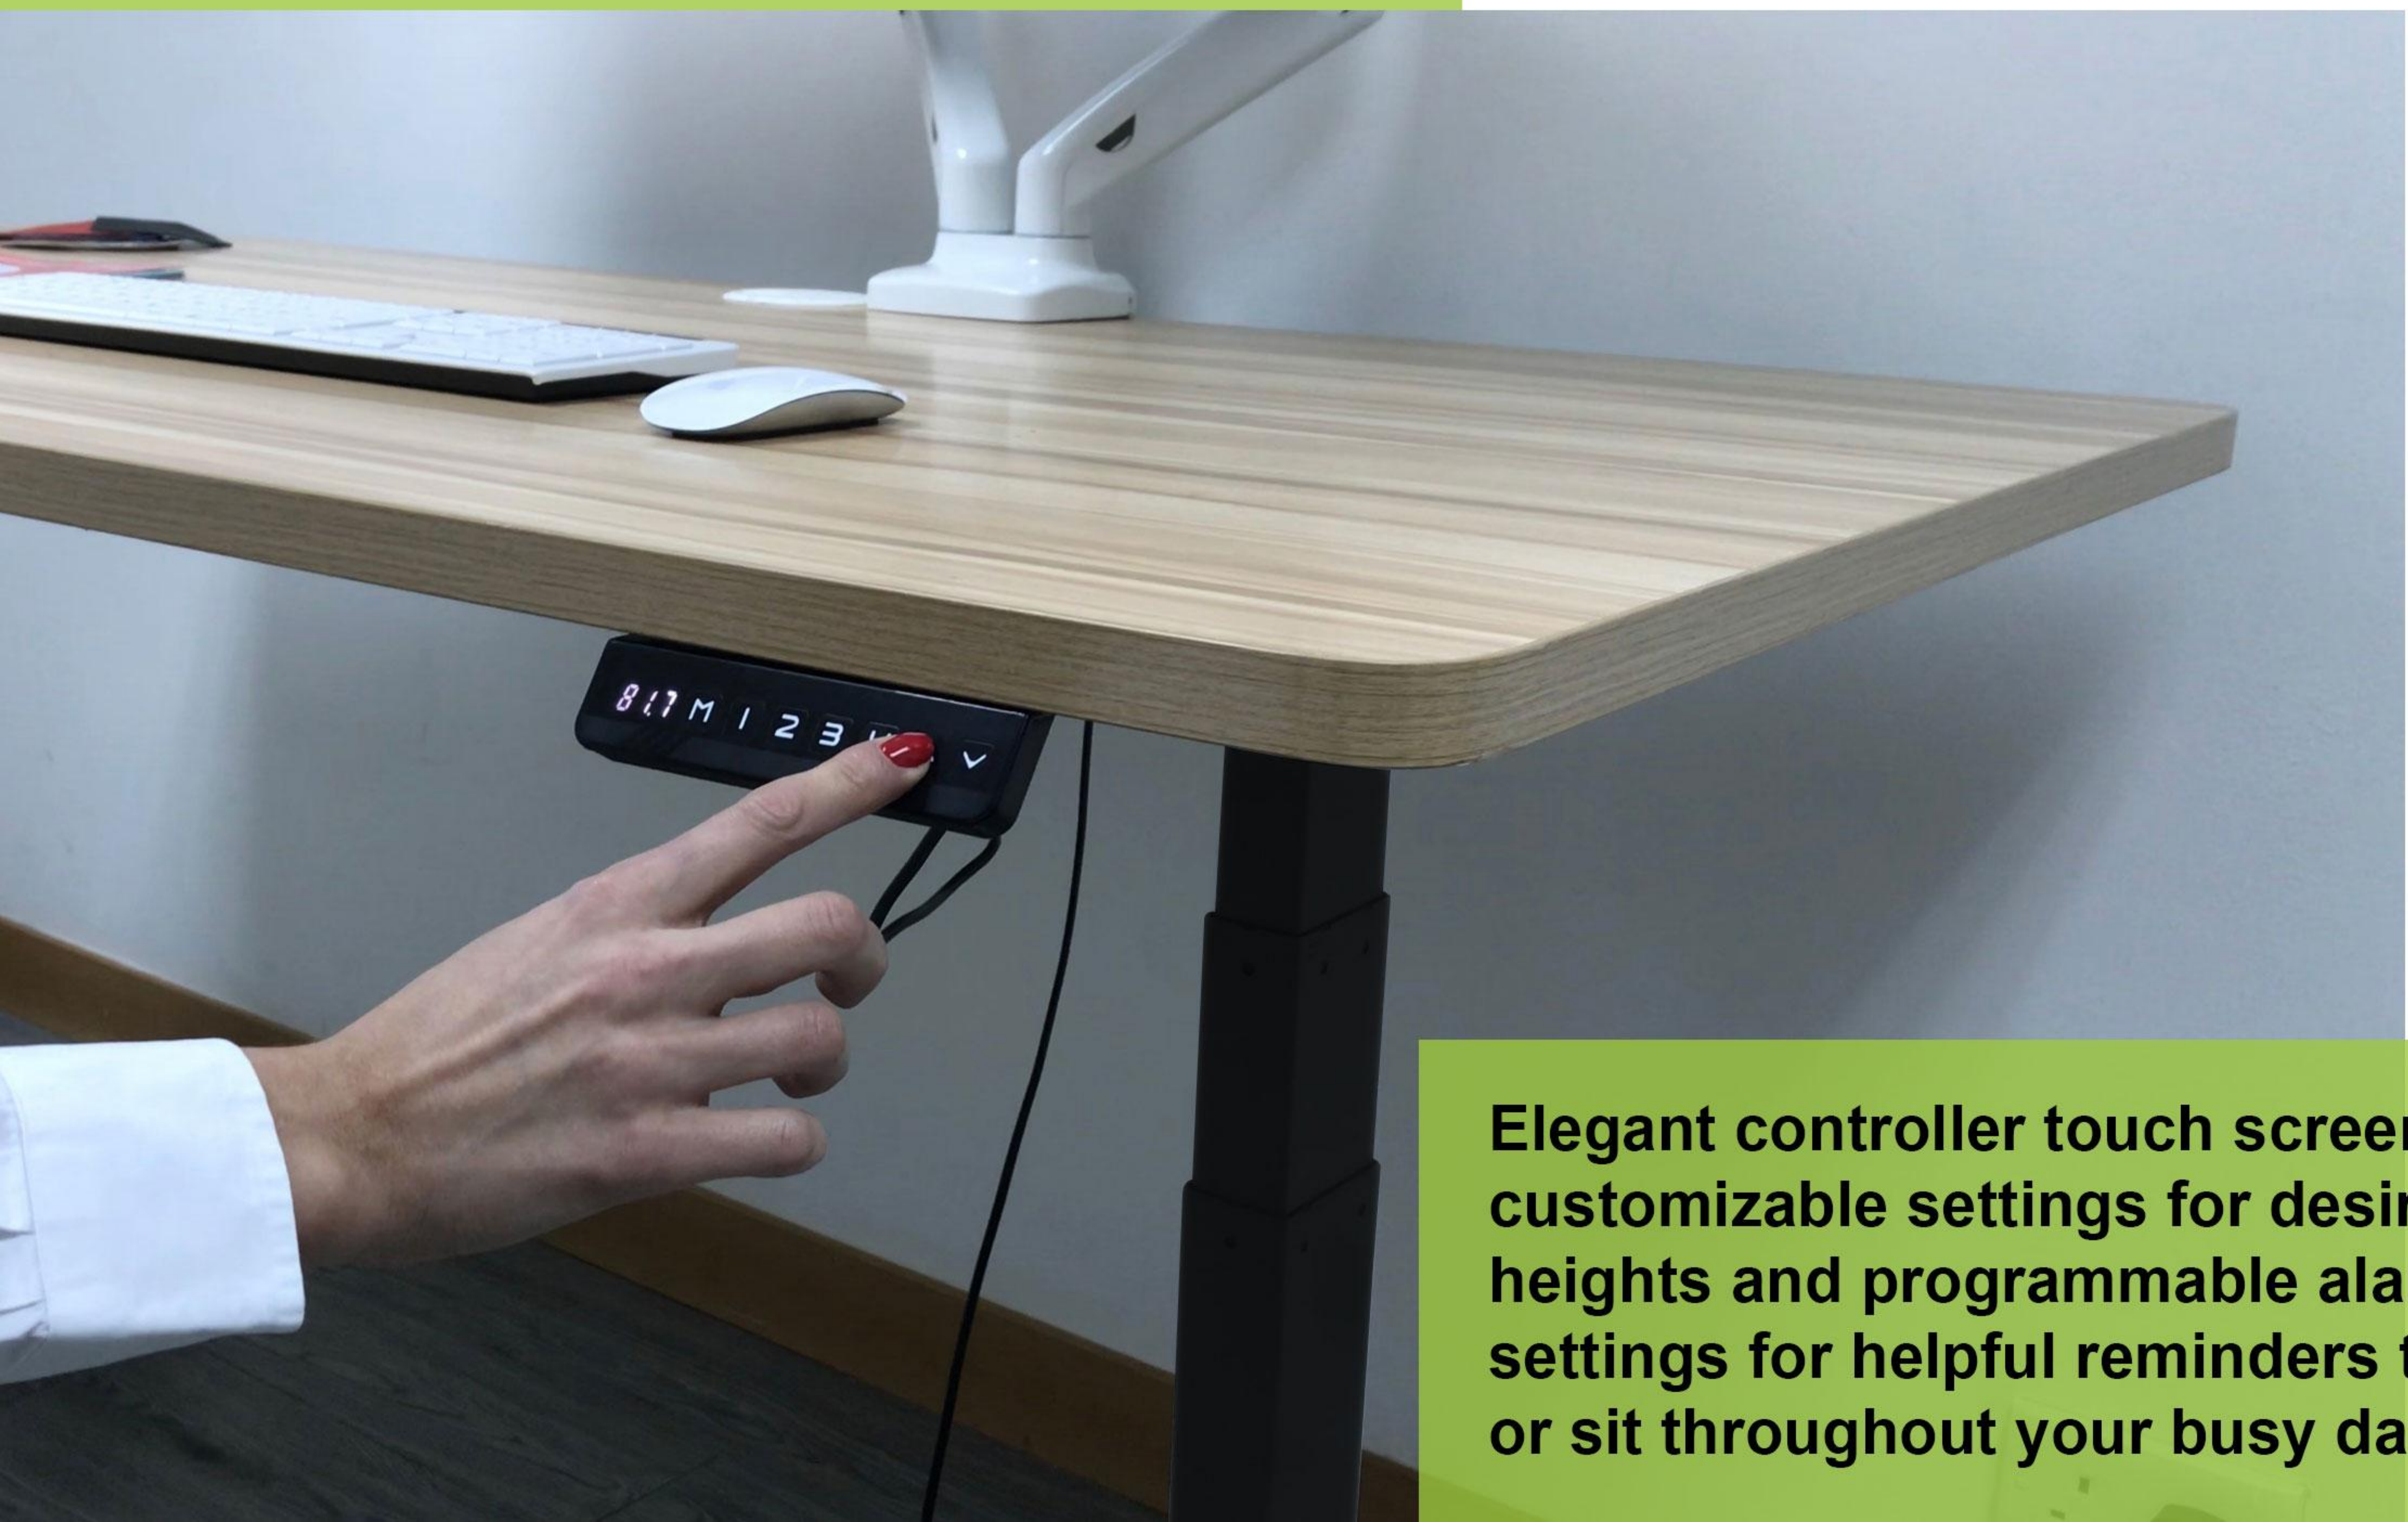

REVOLUTIONIZE YOUR HOME/OFFICE WITH THIS SIT STAND DESK

MORE THAN ONE OPTION TO CONTROL

- ❖ Simple Up/Down with/Without LCD Screen
- ❖ Programmable memory and reminder function
- ❖ Retractable control panel and hidden under desk
- ❖ Special one for the visually-impaired

Elegant controller touch screen with customizable settings for desired user heights and programmable alarms settings for helpful reminders to stand or sit throughout your busy day.

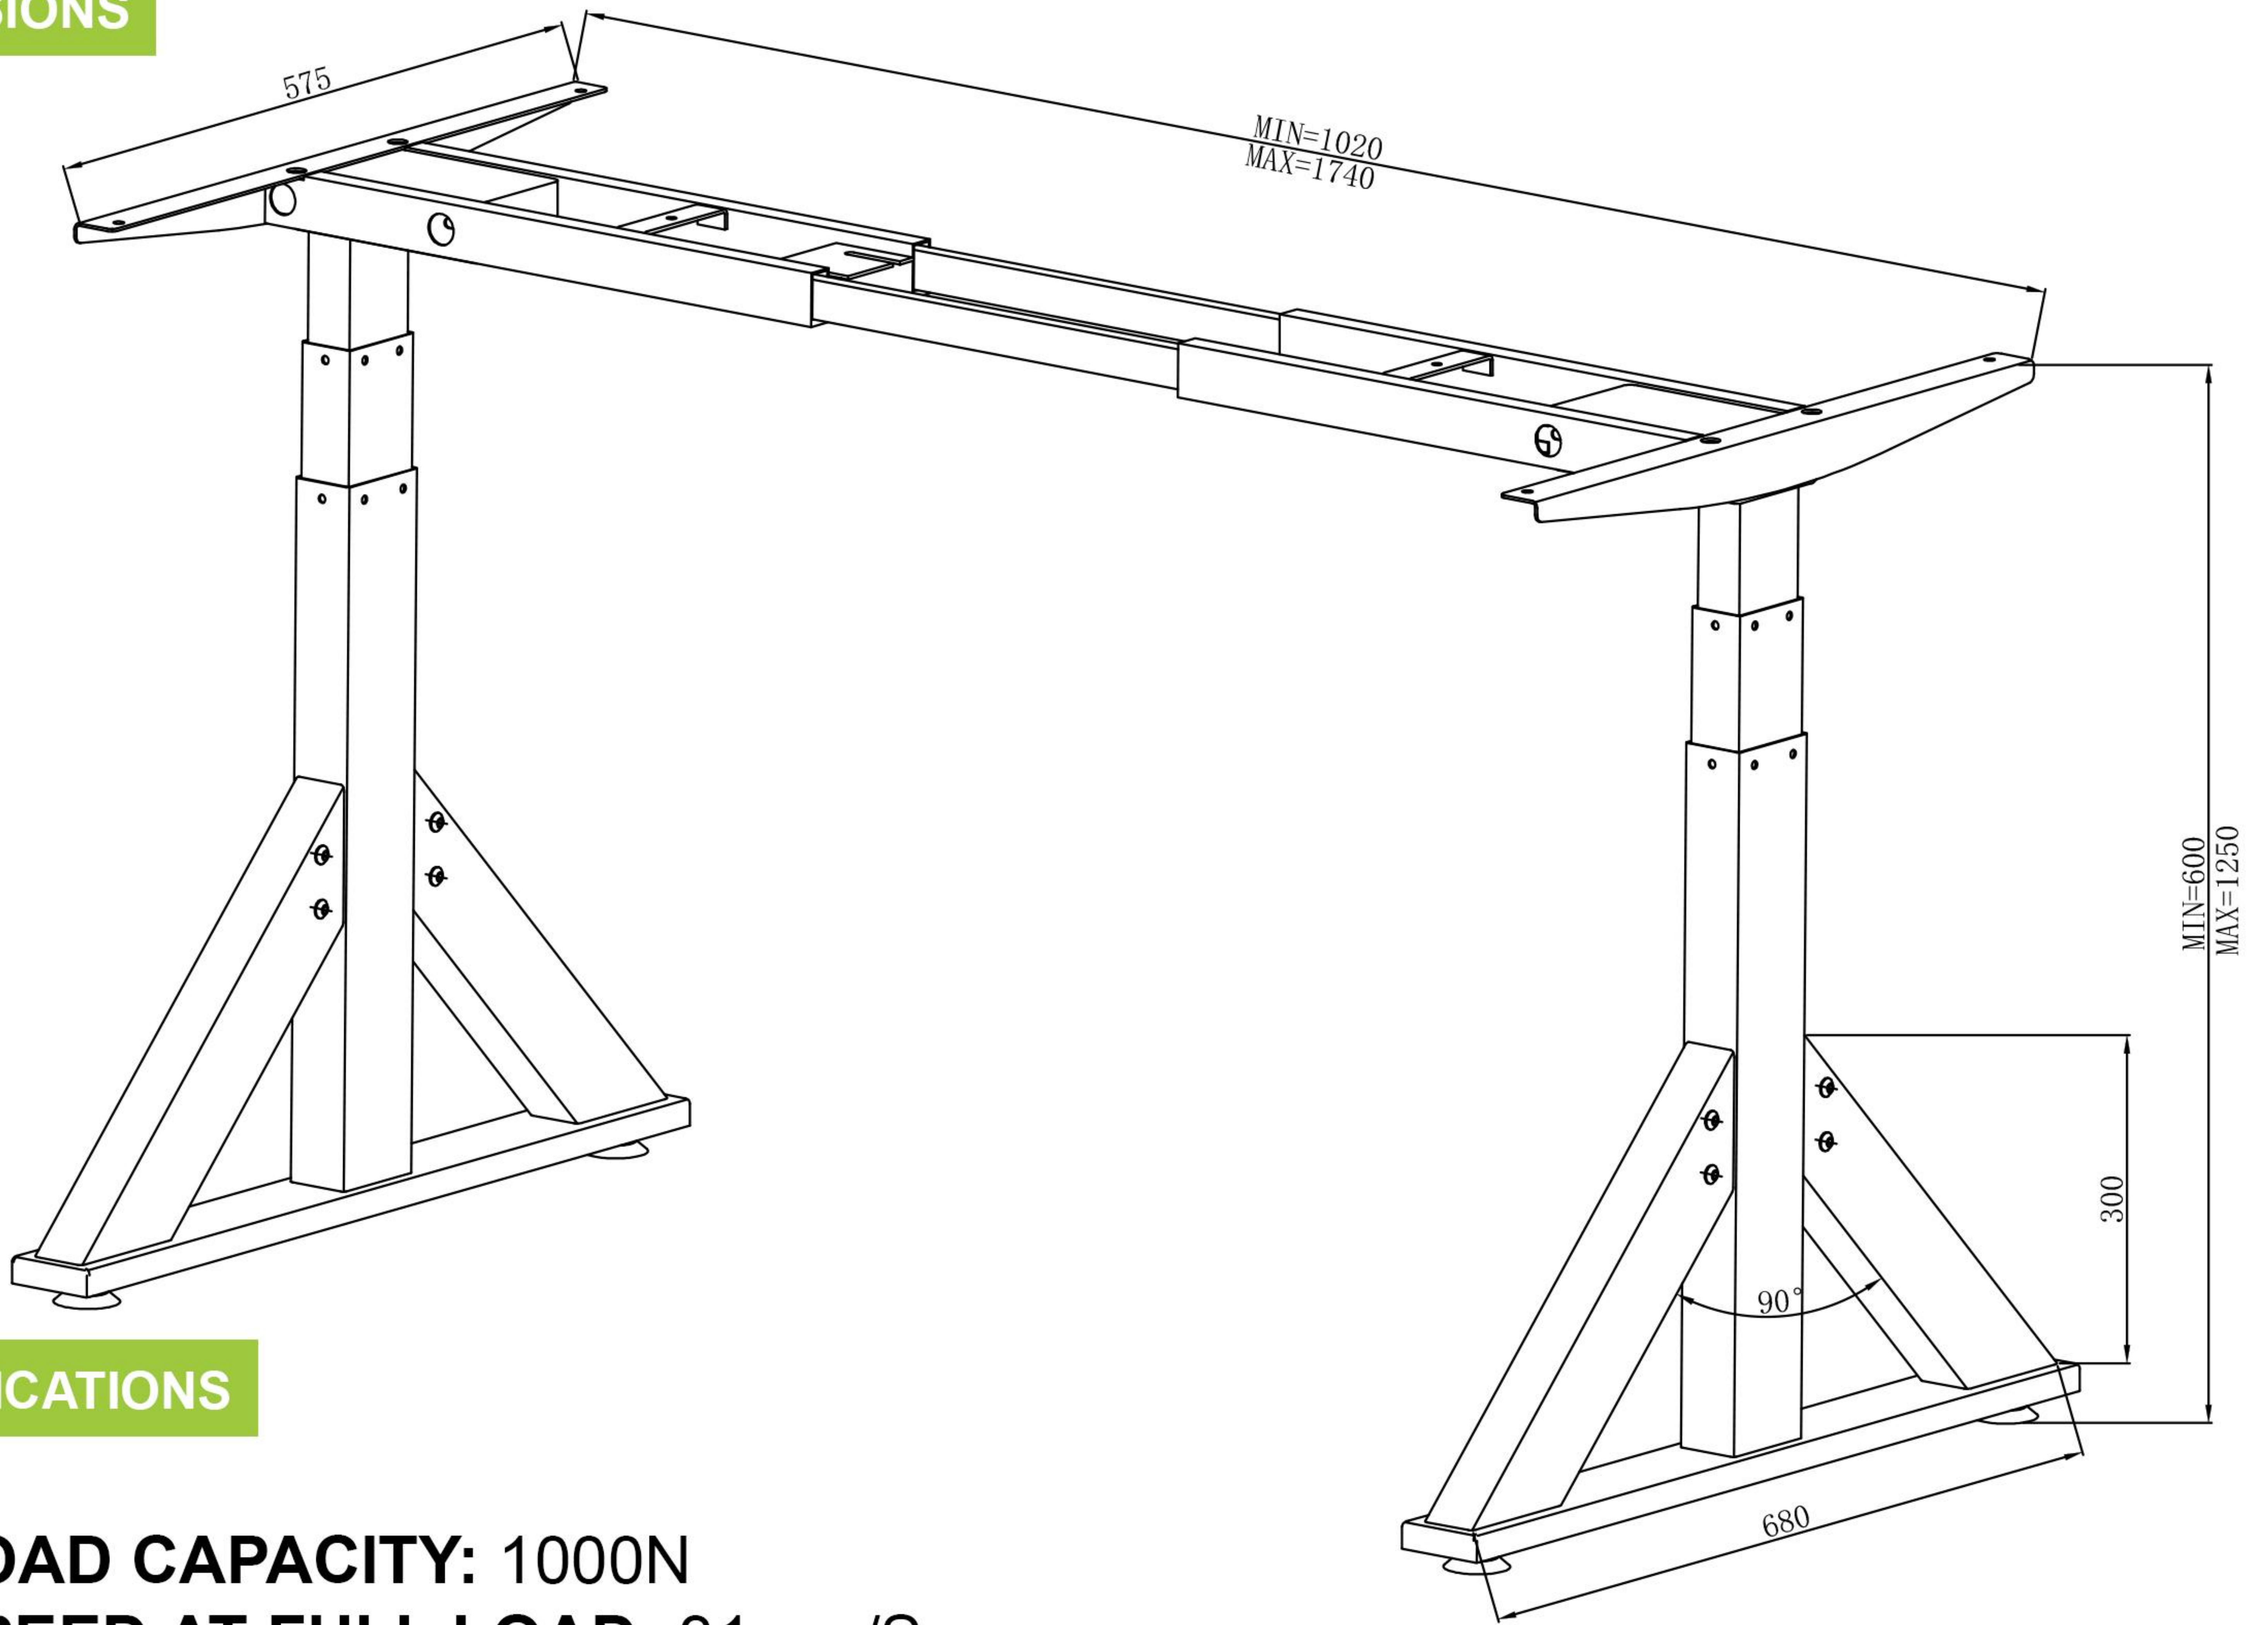

SUPPORTIVE LEGS AND DUAL MOTORS
Solid construction and a thick leg with support system can load capacity of 102 kgs.
