

# Electric Standing Desk

DML100

Rife Technologies

[www.rifeindia.com](http://www.rifeindia.com)

The L-Shape height adjustable desk helps create a healthier work environment by allowing you to move throughout your day. Switching between sitting and standing throughout a long workday provides several health benefits for the body, such as increased blood flow and enhanced posture. Standing throughout the day also keeps the mind alert and productive while you work.

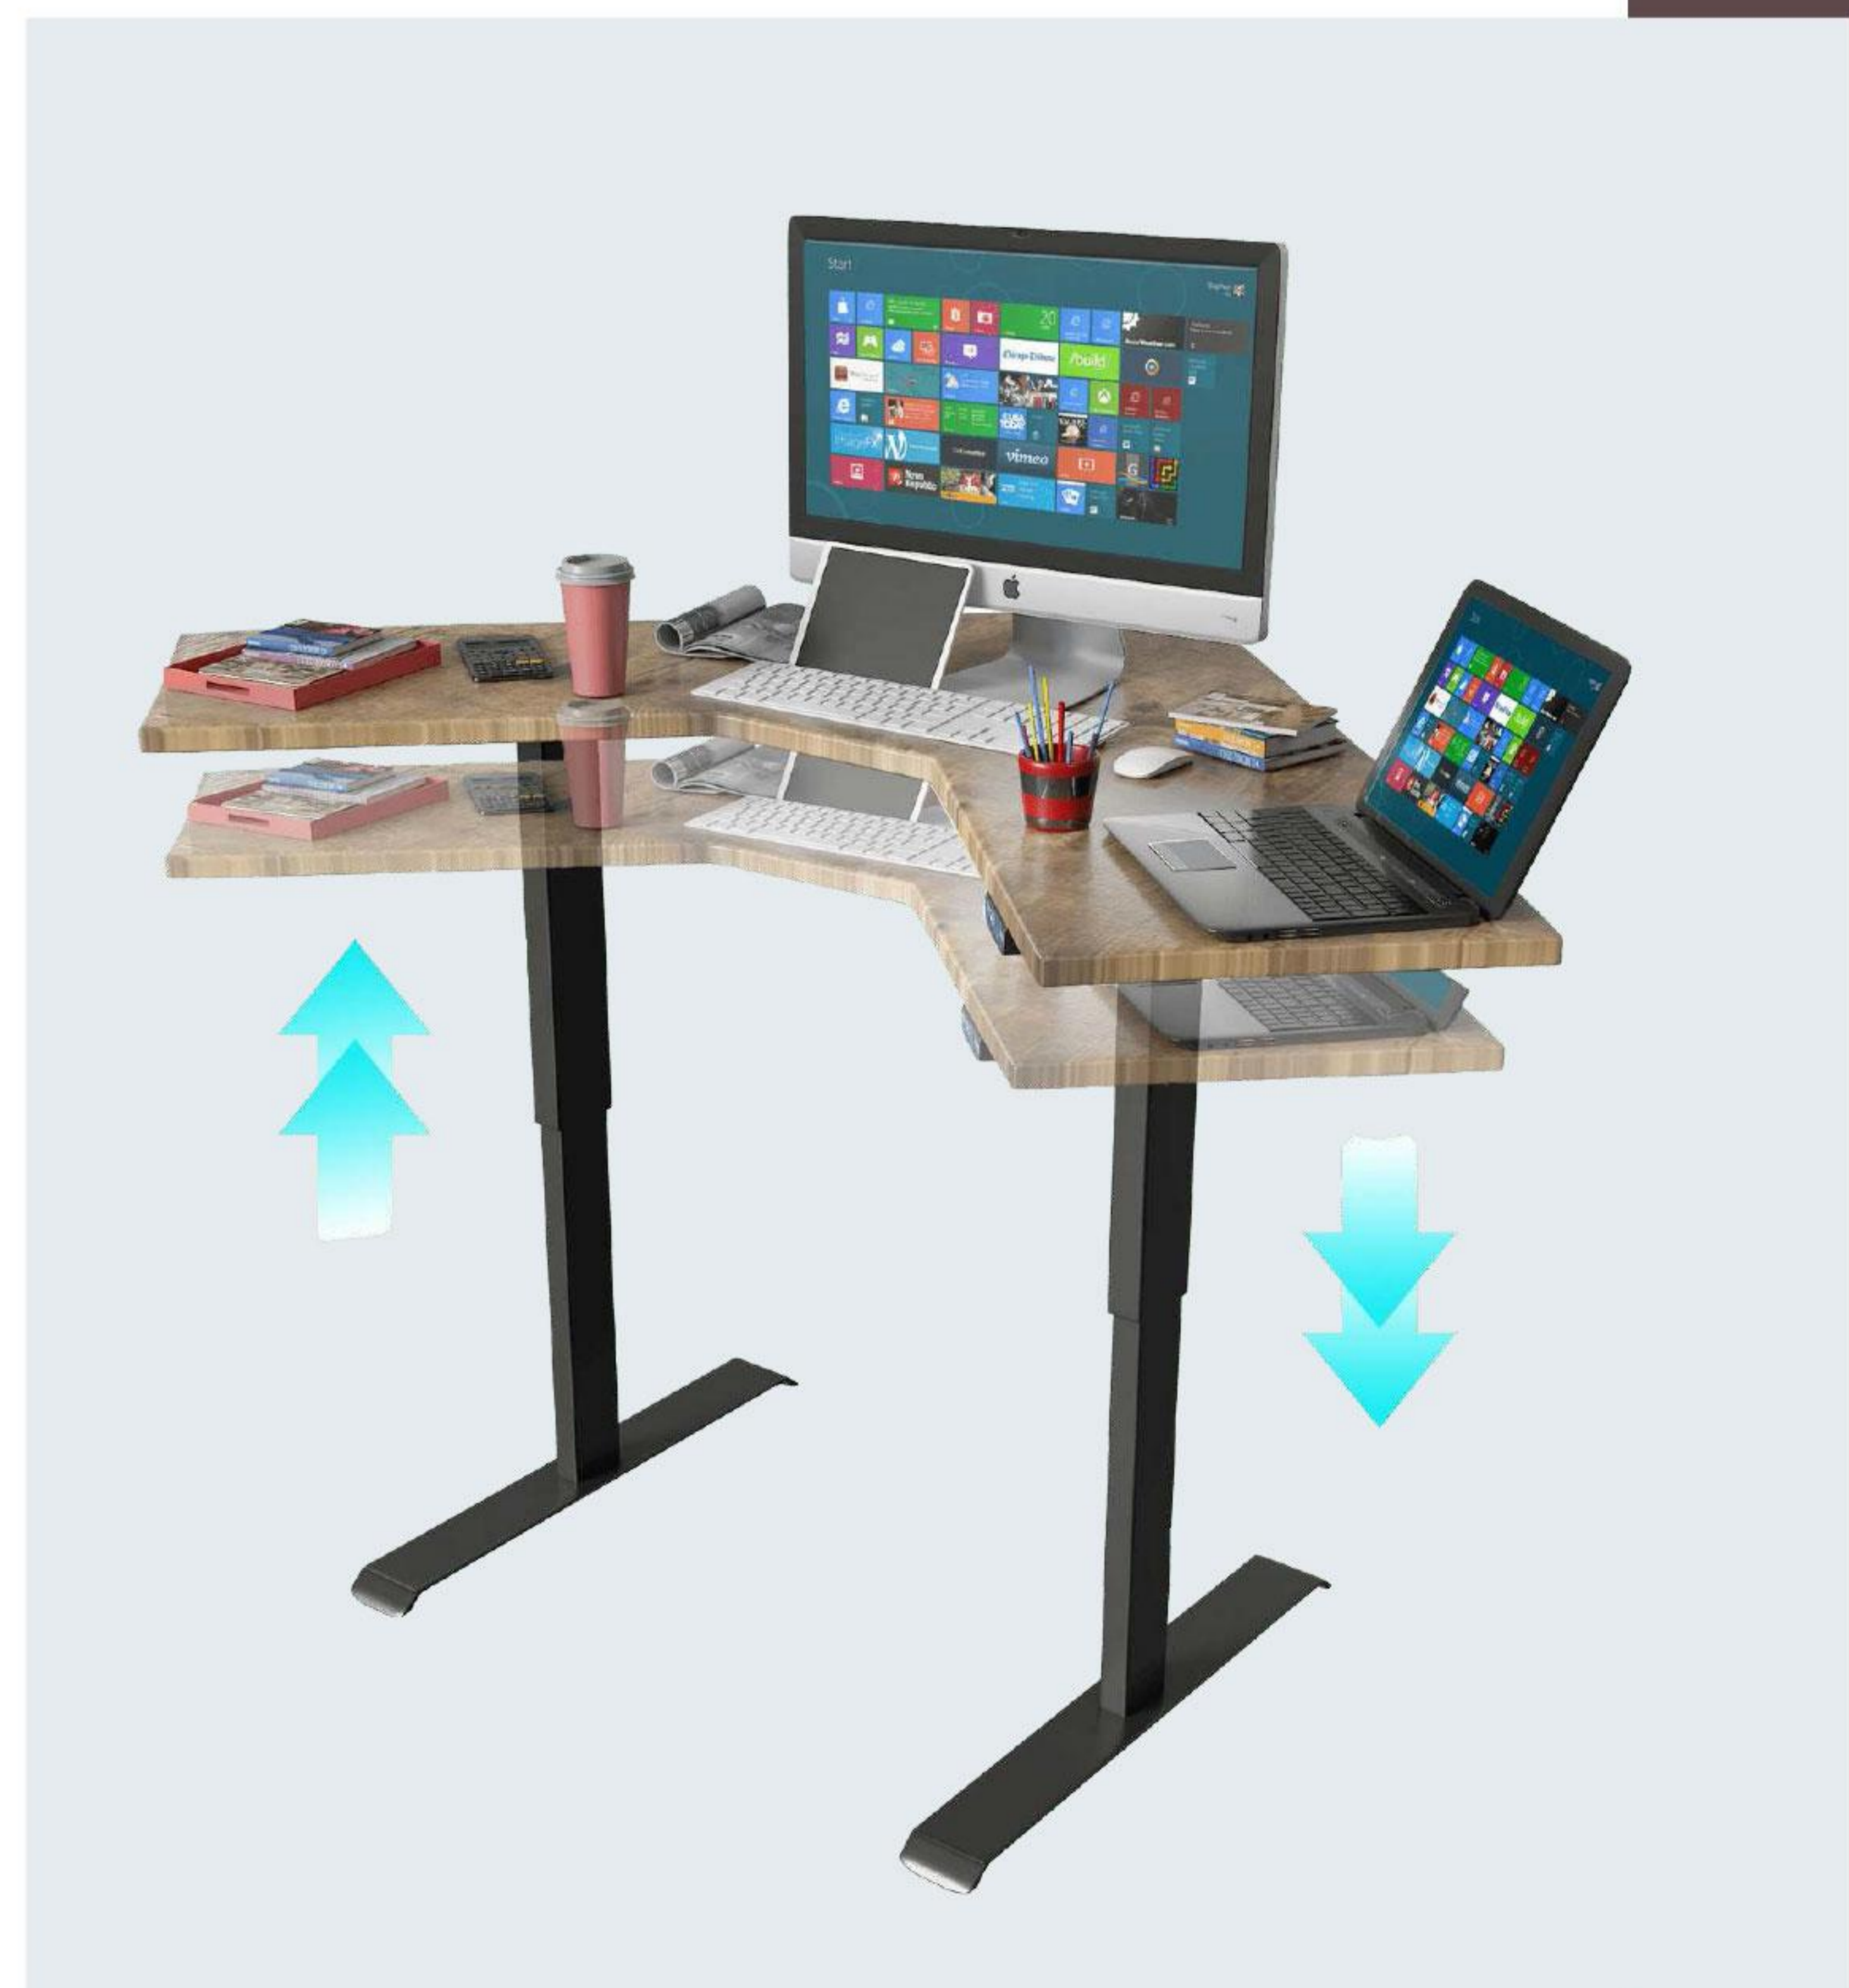

## SPACIOUS WORKPLACE

A wide L-shaped working surface provides ample space for your monitor equipment and Laptop configuration. Can provide enough space for office supplies.

## EASY HEIGHT ADJUSTMENT

Just press a button to activate and automatically adjust the height to the desired sitting or standing position. Flexible and quick height adjustment ranging from 27.6" to 47.2".

## STRONG AND STURDY LEGS

The industrial-grade steel frame is combined with a sturdy desktop to precisely adjust the height of your desk. The level adjustable feet adapt to the ground to ensure the stability of the standing electric desk.

# DISPLAY HEIGHT CONTROLLER

3 customize height presets.  
Just press a button to  
activate and automatically  
adjust the height to the  
desired sitting or standing  
position. Flexible and  
quick height adjustment  
ranging from 27.6" to 47.2".

# DUAL MOTOR LIFT SYSTEM

The dual motor lifting system provides smoother height adjustment (Weight capacity up to 122kgs). The heavy-duty dual motors can provide powerful, stable, and quiet height adjustment with low noise (less than 50 dB).
