

# Electric Height Adjustable Desk

## ETRC

### Description

An elegant and stylish desk designed. A combination of regular desk and sit-stand workstation gives this desk a modern look, which makes it suitable for all kinds of office environments. Stylish, modern, and open frame design. The square columns and modern look make this desk suitable for all office environments. Electric height adjustment with the push of a button. Everything you need is here. Quick and easy to assemble – It's that easy.

Sit to stand in seconds with this electric sit-stand desk converter. The powerful electric motor makes the transition from sitting to standing as easy as can be, with no time wasted.

Steel base with a solid 35 kgs, 77lbs of load capacity is designed to remain sturdy while you work. The base rises and lowers straight up and down, increasing sturdiness and saves space.

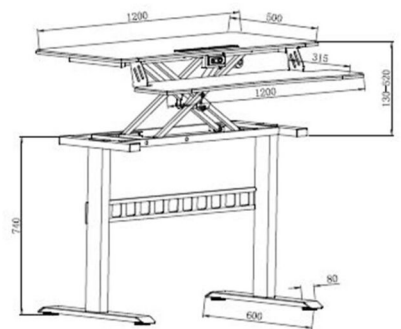

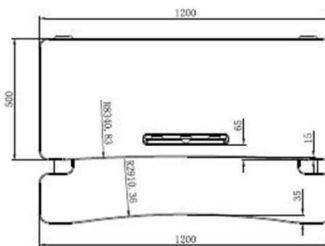

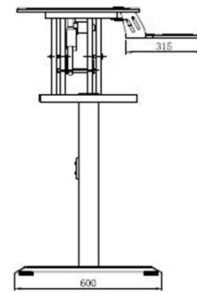

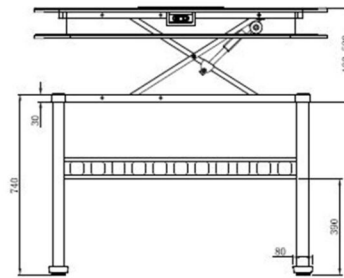

The two-tier design gives you an upper display surface of 47.2" x 19.6" That gives ample space for your Dual Monitor Setup, and a spacious 47.2" x 12.4" lower keyboard and mouse deck
