

Clamp-On Adjustable Keyboard Tray

The adjustable keyboard tray is built of sturdy wood with solid metal rails to withstand prolonged, everyday use. The ergonomic design helps keep your wrists and hands properly aligned for long-term use and fatigue reduction. provides valuable desk space by adding a lower-tier surface for the keyboard, mouse, and other small items.

KBD-C

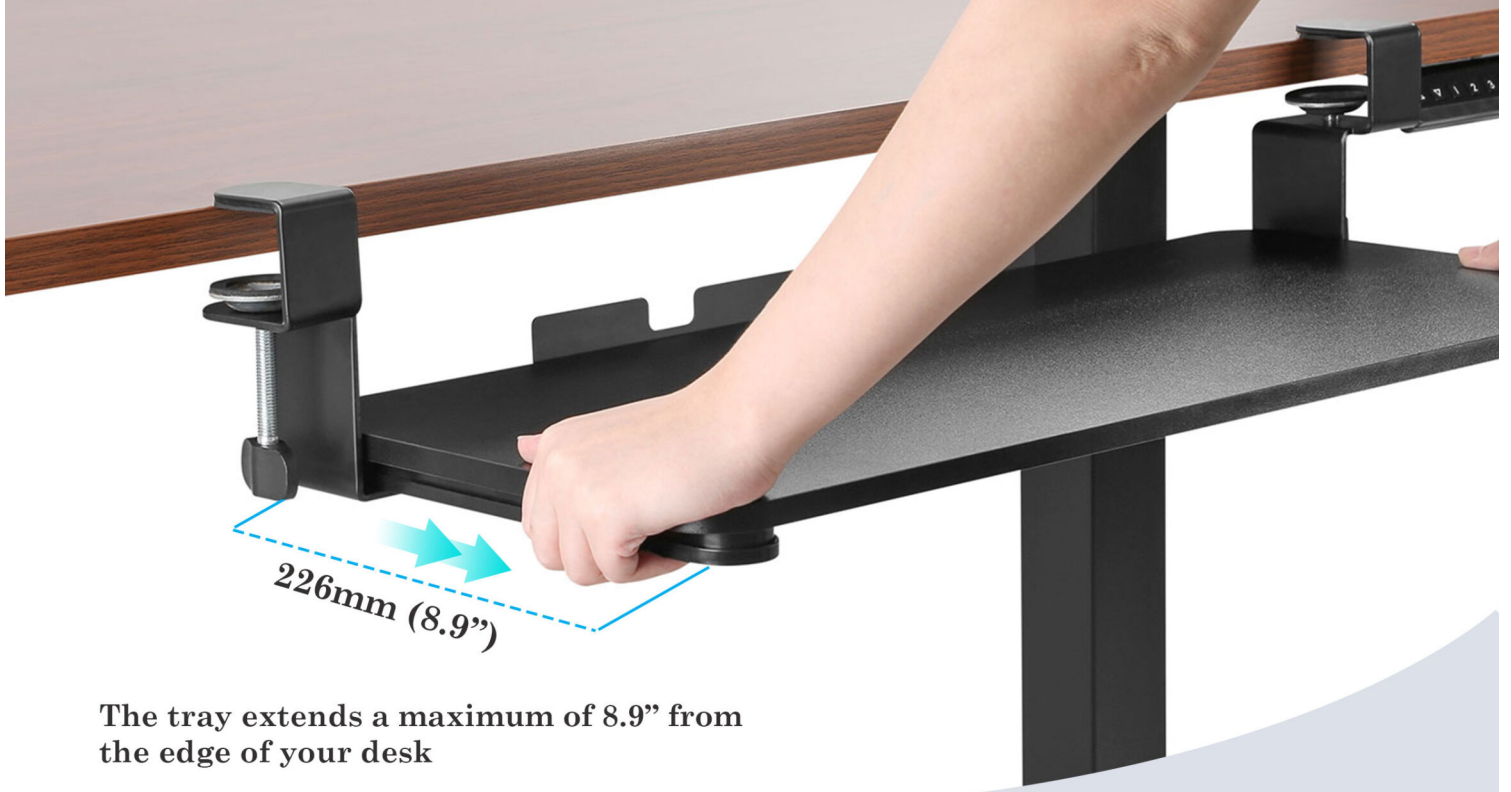

Track Mounted Design: Slide your new keyboard tray under your desk and out of the way when not in use.

The ergonomic tray provides 26.4" x 11.8" (670x300mm) space, plenty of room for your keyboard and mouse and any other accessories

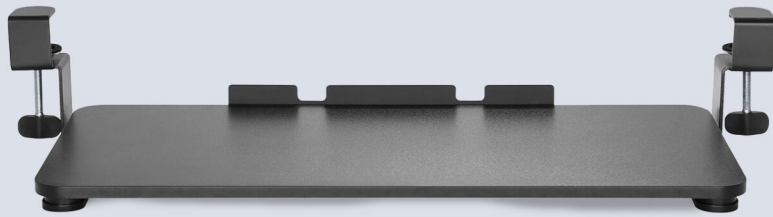

Table Mounting Clamp with Rubber Pad: avoids damaging your furniture with Safety Ledge Stopper: prevents your devices from slipping

The tray extends a maximum of 8.9" from the edge of your desk

Cable Management

Keep potentially messy cords organized and out of the way for a clean appearance.

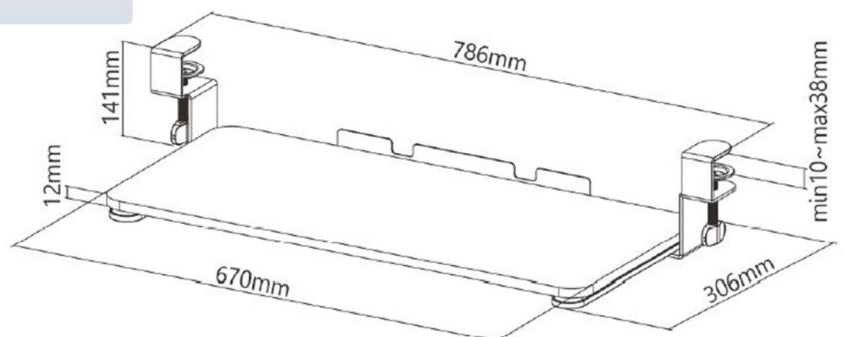

Thumbscrew clamps effortlessly attach to any desktop surface up to 0.4 inches thick, with no tools required.
