Dual LCD TV Floor Stand

TV Stand 180 Dual is one of the most flexible and multifunctional display stand of its kind. The Dual tv stand possibility makes this unit optimal for videoconferencing and more detailed presentations where a dual screen scenario might be needed. tv Stand has a versatile usage area. Mainly made out of a light weight aluminum construction it is both heavy duty and will support most ideas and environments it is placed in. The tv Stand can be used with screens in a standard landscape mode or a portrait mode. As a stable and sophisticated display stand base with wheels are included as standard. This means the series is very easy to move around. This makes it a perfect partner for use in public environments such as conference rooms, class rooms or hospitals.

Adjustable Small Tray On Top Ideal for placing a camera for video meetings and easily can adjust with weight capacity up to 10 lbs.

Mainly made out of a light weight aluminum construction it is both **heavy duty** and will support most ideas and environments it is placed in.

Each monitor can tilt up **20 degrees** or down **20 degrees**. You don't need to bend yourself at your workstation anymore, effectively reducing the pain on your neck and back and making you productive.

This means the series is very easy to move around. This makes it a perfect partner for use in public environments such as conference rooms, class rooms or hospitals.
