

Monitor and Keyboard Wall Mount

RVKT01

Wall Mounted Stand up Stations

This computer wall mount is a good solution for setting up workstations in tight, busy, or nontraditional work spaces. This is ideal for computer workstations that support non computer based work, like in labs, shops, garages, warehouses, production floors, stores, and other applications. The mount securely attaches computer workstations to a wall and only takes little space. Computers are kept off the floor and out of the way to fit in busy work environments.

The Keyboard tray is **height adjustable** to provide the most comfortable type angle for you.

The mount securely attaches **computer workstations** to a wall and only takes little space. Computers are kept off the floor and out of the way to fit in busy work environments.

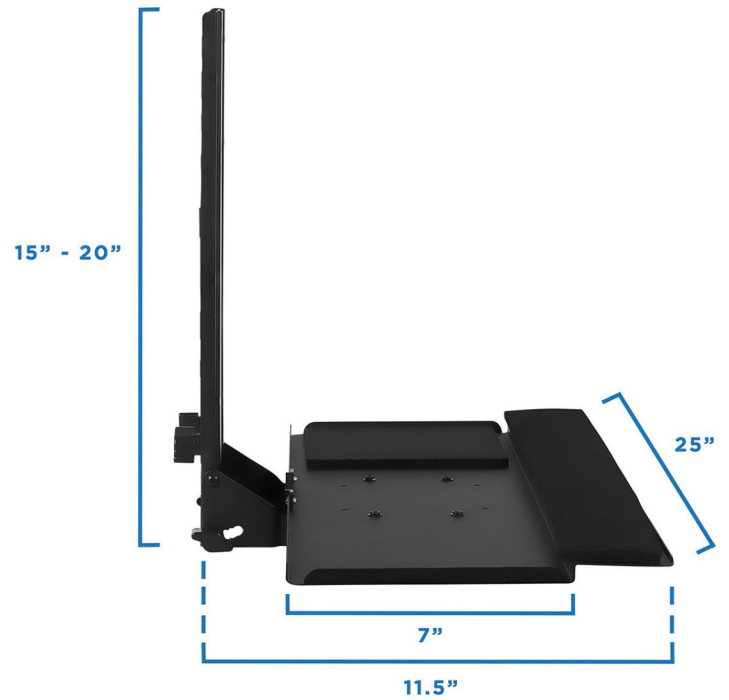

Get the right **ergonomic** keyboard placement with fully adjustable height and tilt angle. This keyboard tray mount is perfect for office work spaces, reception areas, home offices and more.

Dimensions
