

Single Monitor Telemedicine Cart

With a monitor mount and big surface, this medical computer cart makes an efficient mobile workstation that can appeal to many businesses. The wheels allow this trolley to effortlessly move to anywhere and 4 lockable wheels allow you to lock in place as a stationary desk. Easy to maneuver the height-adjustable cart by pressing down on the footpad to raise or lower the surface. Mobile workstations are often found in busy environments such as doctor's offices, labs, and hospitals. Comfortably position a keyboard on the pull-out tray and set up your mouse on either side to accommodate left or right-handed users.

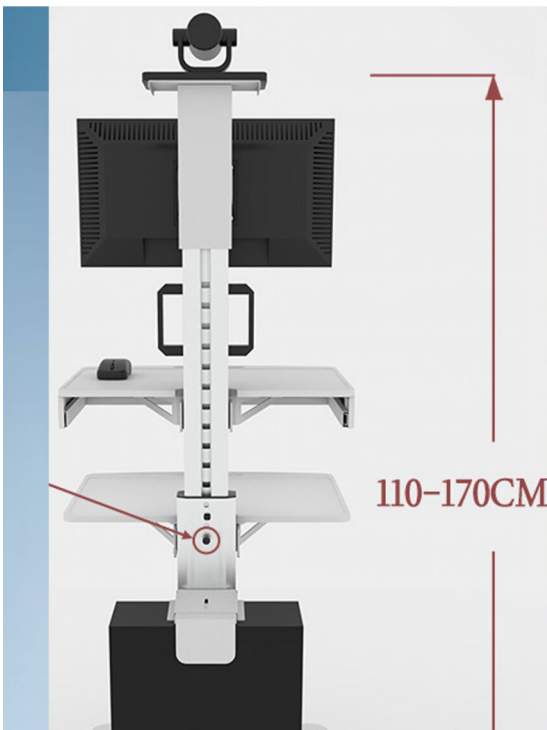

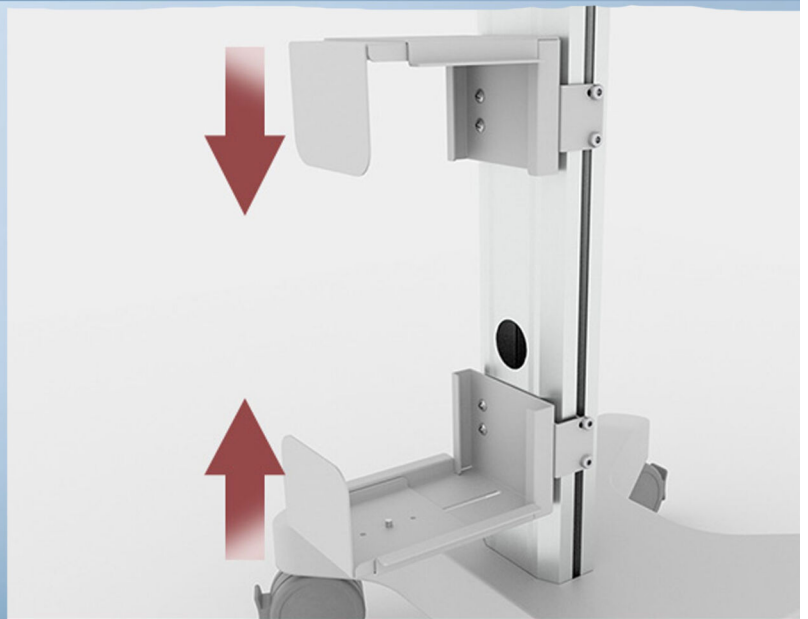

Keyboard Shelf

Comfortably position a keyboard on the pull-out tray

CPU Holder

Includes a CPU holder with height adjustments to safely keep your PC tower from falling over while wheeling the unit around.

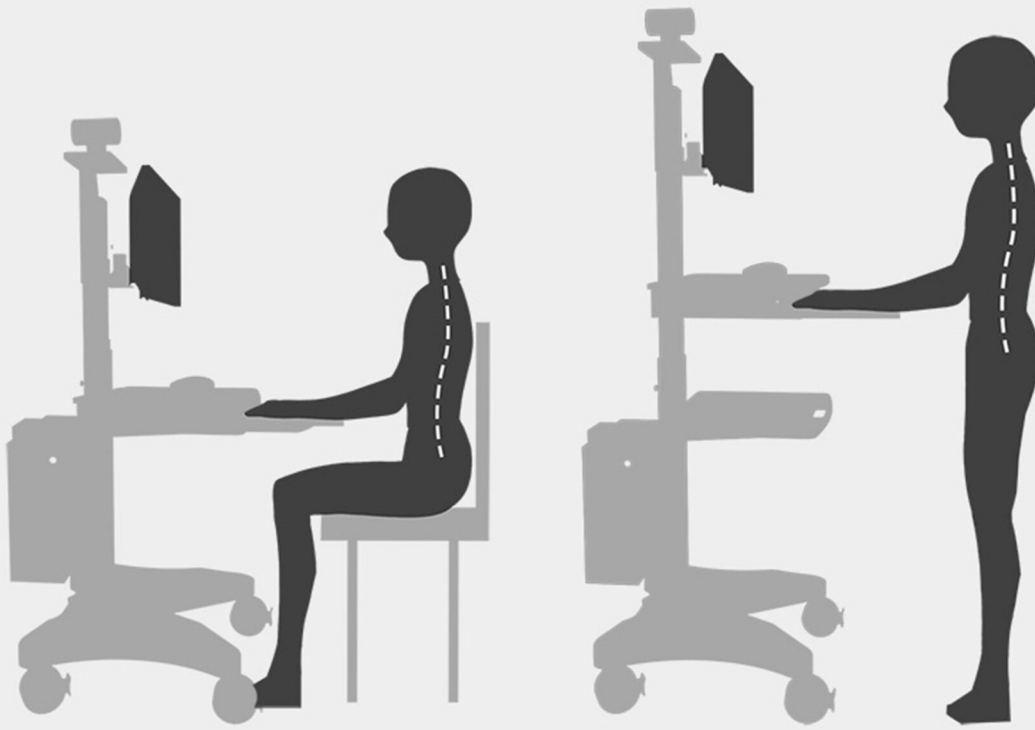

- ▶ The CPU holding size: 225mm Max
