Sleep Corp Pty Ltd / Bed Protection Australia Pty Ltd

PRODUCT GUARANTEE

Sleep Corp Pty Ltd (previously known as Snugfit Australia) created the first breathable and waterproof mattress protector nearly forty years ago and has been setting the standard ever since. In the unlikely event that the product does not meet our high standards, Sleep Corp will guarantee to the original purchaser to repair or replace the product against faulty workmanship for a period of up to ten years.

In order to make a claim on these guarantees you must retain and present the original purchase receipt for validation.

RIGHTS UNDER AUSTRALIAN AND NEW ZEALAND CONSUMER LAW

The benefits we offer under this guarantee as set out in this document are in addition to any other rights and remedies you may have under the law.

Our goods come with guarantees that cannot be excluded under either Australian or New Zealand Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and failure does not amount to a major failure.

PLATINUM GUARANTEE

If the Protector was purchased together with a new mattress for household use and both items are **shown on the same sales receipt**, Sleep Corp will also guarantee the mattress (sleep surface only) remains stain fresh by providing a once only clean/sanitisation and/or a repair/replacement within the 10 year period.

Should the mattress sleep surface stain while properly covered by the Protector, Sleep Corp will have the protector and mattress inspected by a cleaning technician and if deemed to be the result of a faulty mattress protector due to workmanship or materials, will professionally clean and sanitise the mattress rendering any stains harmless or at Sleep Corp's discretion, replace the sleep surface or mattress at no cost to you the purchaser.

The mattress will need to have been covered by the Protector at the time the spillage occurred.

The mattress and Protector needs to be purchased from a Sleep Corp authorized PROTECT-A-BED® retailer and have a manufacturer's warranty on the mattress still in effect. The protector's care conditions must have been met during the applicable period.

It is not recommended that latex or foam mattresses be cleaned as any steam or water will be absorbed into the mattress. In this situation only a sanitizing process will be undertaken by a cleaning technician.

Sleep Corp Pty Ltd nor its distributors or 'on-sellers' do not make any express warranties or representations other than set out in these Guarantees.

THIS MATTRESS AND PROTECTOR WARRANTY IS VOID IF ANY ATTEMPT IS MADE TO CLEAN THE MATTRESS OTHER THAN BY WIPING AWAY THE MATERIAL SOILING THE MATTRESS AND/OR CARE INSTRUCTIONS HAVE NOT BEEN MET including recommended washing with other linens at least once per month.
