

ATTU SPORT

Be Unstoppable. Be Stylish.

movinglife[®]

First, we made ATTO -
probably the best
travel folding scooter
on the market...

Then, we took it to the
next level...

ATTO SPORT

Meet the **ATTO SPORT**! A perfect combination of high-caliber functionality and cutting-edge design, we like to think of the **ATTO SPORT** as the sportscar of all mobility scooters.

As the newest addition to the Movinglife catalog, the ATTO SPORT comes with all the safety and convenience features of the classic ATTO scooter, but offers extra performance, an extra-contemporary look, and extra amenities that customers will surely enjoy.

Rear light lifting handle

More Braking Control

ATTO SPORT is geared with an industry-standard regenerative braking system.

We've also added a front disc brake to give ATTO SPORT users greater control.

The disk brake lever can be mounted on either sides of the handlebar.

More Agility
