

NEW SL200

Rechargeable LED Searchlight

The SL200 is a compact, ultra-lightweight rechargeable LED searchlight, perfect for the home or as an emergency light source in the car. Made from durable polypropylene, the SL200 is impact resistant to 1 metre, and has a sturdy handle that provides a good grip. The SL200 weighs just 230g making it one of our smallest searchlights available, but packs a big punch with a bright 250-metre beam.
