The Edge Group uses firearms daily in business activities. Please confirm if you currently suffer from any mental or physical condition that could make it unsafe to work with firearms and/or around other people. **You do not need to state what the mental or physical condition is and the existence of a mental or physical disability will not disqualify you from employment with us.** We promote equality in employment for disabled workers and will accommodate disabled workers whenever that is possible without risking safety or enduring undue hardship as an employer. In order to balance equality for disabled workers and still ensure the safety of employees and the public, the Edge Group may require medical confirmation of your ability to work with firearms in the presence of others.

By signing below, I certify that the above statements are correct to the best of my knowledge and ability. I understand that any misrepresentation may disqualify me from employment or be grounds for my immediate dismissal. If hired, I agree to abide by the rules and regulations of the company, including serving an initial probation period.

This application is NOT an offer of employment and until a formal written offer of employment from The Edge Group or one of its affiliates has been offered and accepted by both parties, there is no employment contract or obligation to employ.

I also agree to allow “The Edge Group, Inc.” or it’s agents to conduct background checks including but not limited to criminal and credit inquiries to assess suitability for employment.
