

AIR FILTER OIL 206

Air filter oil specially developed for foam filter elements

Description

Specially developed air filter oil for foam air filter elements with good adhesion. Keeps out sand, dust and water. Guaranteed optimal air flow. Very good adhesion.

Advantages

- Optimum protection against sand, dust and water
- Very good adhesion
- Reduces wear
- Increases the service life
- Optimal air flow

Field of application

MOTOREX AIR FILTER OIL 206 satisfies the toughest demands, even under extreme conditions. Thanks to the very good adhesion the oil provides optimum protection and, at the same time, increases the service life of the foam filter elements.

Notes

Also available as a spray
