For more than 30 years, TouchAmerica has been developing and manufacturing innovative spa and salon equipment solutions at our North Carolina headquarters.

Our humble start came when Robin Zili, a new massage therapist, needed a portable massage table and Stewart Griffith built her one. This led to the two of them not just creating a family together, but also a family company that manufactures a complete line of quality wellness equipment and furniture. The formula for success in our growth has been the emphasis on conveying a quality product to our customers and a quality environment appreciated by our long-standing employees.

Today, we develop a full range of spa and salon equipment, custom furniture, cabinetry and merchandising solutions. TouchAmerica still manufactures products in North Carolina, where it all started. Our wholly-owned subsidiary, Touch International, also custom designs and manufactures for some of the biggest names in the spa, hotel and beauty industry.

TouchAmerica operates under a simple mantra: “Quality and elegance are never an accident. They are the result of sincere effort, intelligent direction and purposeful execution.” We believe that our high-quality products reflect our professional beliefs, and also help add a touch of class and elegance to our customers’ workplaces. When a potential client enters a spa or salon, their expectation is to be impressed by the atmosphere. Not only do clients anticipate a relaxing escape from their daily routine, they also hope to be pampered by luxury and comforted by soothing surroundings. TouchAmerica manufactures equipment that turns these expectations into a reality. By creating products crafted with the best materials, combined with innovative designs, we are able to develop spaces that provide a heightened, touch-inspired experience.
Our signature collection, designed by award-winning Manhattan architect Robert Henry, is exclusive to TouchAmerica, and gives maximum versatility to spas with minimum space. A sleek day bed becomes an incredibly comfortable massage table, and a portable cart holds steamer, mag lamp and every accessory necessary for any treatment.
MASQUERADE

The ultimate in comfort and design, the ingenious Masquerade converts from a day bed into an ultra-comfortable spa treatment table with the push of a button. This first-of-its-kind piece can easily be converted by the therapist from a day bed into a height-adjustable massage table. Now available in Classic and Contemporary models. Halotherapy, derived from the Greek “halos”, meaning salt, is a form of therapy that employs the proven healing qualities of salt for the respiratory system. Mainstream medicine has known of the therapeutic benefits of saline and salt inhalation for decades. Halotherapy treatments have been proven to clear mucus from lungs, provide anti-inflammatory and bactericidal effects, and improve lung function.

We are excited to offer several options for halotherapy treatments, using 100% pure Himalayan salt.

**ATLAS FLEX-BLOCK™ SALT TABLE**

![Image](https://via.placeholder.com/150)

The Atlas Flex-Block™ Salt Table provides an easy-to-use and ultra-comfortable system to deliver the healing properties of salt. This next-generation salt table is like no other. Our exclusive Himalayan Salt Flex-Block™ bed allows spa guests to lie directly on a solid surface of salt. Unlike granular salt beds, the Atlas Salt Table is easily sanitized with an eco-cleaner before each treatment. Your clients will benefit from the healing power of Himalayan Salt, known to improve respiratory function, soften skin and provide stress relief. The Atlas Salt Table can be used for massage and body treatments, or on its own for relaxation and rejuvenation.

The Salt Capsule™ provides therapeutic and wellness benefits. Designed by architect Robert Henry, the Salt Capsule™ is the size of a standard shower - 3'x4' with a tempered glass door and two side-light glass panels. Users comfortably sit down, relax and read, meditate or listen to music. Dry Salt Therapy offers an effective way of using salt’s natural antibacterial, anti-inflammatory and super absorbent properties to provide a variety of wellness and beauty treatments. Dry salt therapy absorbs and removes foreign toxins and substances from the respiratory system, opens airways and increases oxygen flow, improves the skin’s micro-circulation, accelerates cell rejuvenation and improves skin health. Research has also shown that Himalayan salt crystals emit natural occurring negative ions that reduce stress and fatigue, while supporting a sense of well-being.

HIMALAYAN SALT ENVIRONMENTS

Enhancing the guest experience with a Himalayan Salt Wall.
Saltability and Touch America help enhance the guest experience through the addition of a Himalayan Salt Wall. Featuring beautifully illuminated, hand-carved salt blocks, a Himalayan wall adds aesthetic value to your spa, but more importantly, it boosts guest health.

Generating Negative Ions to Enhance Health
In today’s ultra-connected world, computers, smartphones, microwaves and other electronics constantly emit positive ions – also known as "electric smog" – that can leave us feeling drained and down.

Excessive positive ions can also come from bacteria, mold and allergens. In comparison, the natural environment – such as nature’s magnificent forests, beaches, and waterfalls – creates abundant negative ions. Pure Himalayan salt (derived from the Primordial Sea) is filled with negative ions.

Gently heated, Himalayan salt serves as a natural ionizer, thanks to salt’s hygroscopic properties. When heated, the Himalayan salt crystals attract moisture on the salt block surface, and as that moisture evaporates, negative ions are emitted.

The negatively charged ions from the heated Himalayan salt serve to purify the circulating air. Our bodies also reap numerous health benefits from the salt, including stress reduction, energy increases, and mood boosts at a biochemical level.

CC’s WAX TROLLEY

This multi-functional, beautifully-crafted cart serves up spa services with a touch of grace. We designed the cart to be a technician’s dream. A stainless steel wax compartment hides beneath a sliding shelf, complete with a removable wax cover-tray, making cleanup a breeze. The integrated tip-out rubbish bin is complemented by a removable plastic-bag holder, perfectly positioned for disposal of wax strips. For hot towels on the move, a built-in cabi compartment rides along. Need dry towels? Those are also along for the ride, as well as the storage shelves. A universal mag-lamp grommet and facial-teamer arm make it easy to say, “This isn’t just a wax cart.” Drawers above the hot towel cabi compartment were designed to hold your tools-of-the-trade. Upon arrival, use the locking casters to park your cart and you’re ready to start. This is one smooth cart!

**HIMALAYAN SALT FRAME**

Himalayan Salt has long been acclaimed for its unique healing properties. TouchAmerica’s Himalayan Salt Frame makes it easy to add this healing feature to a home, office or wellness facility. This innovative system is ideal for adding to a sauna where dry heat activates the Himalayan salt blocks, transforming them into ionizers. Wellness is enhanced with an abundance of ions that support the respiratory and immune systems.

Himalayan Salt is beautiful, especially when lit. Our frames come with an LED rope light to backlight the salt and add beauty to its natural healing properties. We designed our Himalayan Salt Frame system to be easy to install, requiring no special tools or skills.

TOUCHAMERICA EVOLVING THE SPA EXPERIENCE
TOUCHAMERICA'S WARRANTY

Money-Back Guarantee and Returns: If you are not satisfied with a product, you may return it within 30 days for a complete refund (excluding freight), after contacting TouchAmerica for a Return Merchandise Authorization (RMA) number. Products must be in new condition and returned in suitable packing material to qualify for a refund. A 15% restocking fee may be charged for any returned item. Customers are responsible for freight expenses associated with returning products to TouchAmerica.

Warranties: TouchAmerica manufactures a wide range of products with varying warranties. All warranties apply to the original owner only for the time period specified for each product. Instructions for preventive maintenance are sent with each product. Any needed inspections and maintenance must be performed on a biannual basis. Failure to perform regular inspections and maintenance will void the warranty on the equipment. Labor warranties apply to customers in USA only.

Standard Professional Treatment Tables: Ten-year warranty on replacement parts for frame/structure and one year on labor. Wood/veneer cabinetry is warranted for one year. Foot tubs and plumbing parts for Artesian or Golden Touch are warranted for one year. Mechanical/electrical parts, foam and vinyl carry a two-year warranty on materials. One-year warranty on labor for hydraulic leg motors. Labor warranties apply to customers in USA only.

Olympus, Archipelago, Harmony/Destiny, Portable Massage Tables, QuickLite Massage Chairs: Olympus, Archipelago, and Harmony/Destiny have a five-year warranty on replacement parts for frame/structure and one year on labor. Mechanical and electrical parts, foam and fabric carry a two-year warranty on materials. One-year structural and plumbing warranty on Foot Bath for Harmony/Destiny. Portable Massage Tables and QuickLite Massage Chairs carry a five-year warranty on replacement parts for frame/structure and two-year warranty on foam and vinyl. Labor warranties apply to customers in USA only.

Wet Tables, Vichy Shower, Masquerade, Breath Pedi-Lounge: Neptune/Aphrodite tables and Vichy Showers: Two-year warranty on replacement parts for frame/structure and one year on labor. Breath Pedi-Lounge and Masquerade carry a one-year warranty on replacement parts for the frame/structure. Mechanical/electrical parts, as well as foam and vinyl, carry a two-year warranty on materials, except batteries, which have a one-year warranty. Vichy Shower plumbing parts are warranted for two years on materials. Labor warranties apply to customers in USA only.

Furniture and Accessories: Woodwork and veneer are warranted for one year. All accessories made by TouchAmerica carry a one-year warranty. Accessories and components not manufactured by TouchAmerica carry the original manufacturer’s warranty, which varies from product to product. Hot Towel Cabs, Pedicure/Timbaile Carts, Concierge/MEDI-SPA Cart, and PediStools/ProStools are warranted for one year.

Shipping for Warranty Replacements: TouchAmerica will cover the cost of shipping products replaced under warranty to customers in the contiguous USA only. International customers (as well as those in Alaska and Hawaii) must pay the freight costs for warranty replacement products. Customers are responsible for freight expenses associated with returning products to TouchAmerica.

Exclusions: Normal wear and tear or damage caused by accident, misuse, improper maintenance, harsh operating environments, or neglect (which includes tears in the upholstery and damage caused by harsh chemical-based cleaners) are not covered under this warranty. All warranties are limited to repair or replacement, at TouchAmerica’s discretion, unless otherwise stated.
