

The **Archipedigo** is a stylish, comfortable and motorized Pedi-Lounge that is supremely versatile. Fingertip controls recline the top into a relaxing resting position. The motorized base adjusts with the same push-button ease, gliding forward to allow smooth entry, and once the client is seated, gliding back to allow access to the Foot Bath. The Manicure Shelf quickly attaches to allow manicures while seated, not disturbing customers to relocate. The Adjustable Foot Rest allows a soothing pedicure for the customer and ergonomic comfort for the therapist. This versatile and ultimately comfortable lounge is constructed with materials and finishes selected for sustainability and long-term use.
