

HIMALAYAN SALT FRAME

Himalayan Salt has long been acclaimed for its unique healing properties. TouchAmerica's Himalayan Salt Frame makes it easy to add this healing feature to a home, office or wellness facility. This innovative system is ideal for adding to a sauna where dry heat activates the Himalayan salt blocks, transforming them into ionizers. Wellness is enhanced with an abundance of ions that support the respiratory and immune systems.

Himalayan Salt is beautiful, especially when lit. Our frames come with an LED rope light to backlight the salt and add beauty to its natural healing properties. We designed our Himalayan Salt Frame system to be easy to install, requiring no special tools or skills.
