

## SALT CAPSULE

#41014

The **Salt Capsule™** provides therapeutic and wellness benefits. Designed by architect Robert Henry, the Salt Capsule™ is the size of a standard shower - 3'x4' with a tempered glass door and two side-light glass panels. Users comfortably sit down, relax and read, meditate or listen to music. Dry Salt Therapy offers an effective way of using salt's natural antibacterial, anti-inflammatory and super absorbent properties to provide a variety of wellness and beauty treatments. Dry salt therapy absorbs and removes foreign toxins and substances from the respiratory system, opens airways and increases oxygen flow, improves the skin's micro-circulation, accelerates cell rejuvenation and improves skin health. Research has also shown that Himalayan salt crystals emit natural occurring negative ions that reduce stress and fatigue, while supporting a sense of well-being.
