Welcome to...

McC'S PINT OF THE MONTH CLUB!

3 months of ice cream
is on its way to you!

HOW IT WORKS:

- **4** pints per month, for **3** months. We send a carefully-chosen selection of our finest Classic, Limited Edition and Seasonal flavors [often before they're available to the public] directly to your door.
- Boxes ship on the 3rd Monday of each month, and arrive Tuesday, Wednesday or Thursday, depending on your delivery location.
- We send a reminder email the week before shipment with that month's flavors, as well as a tracking number when the box ships.

McConnell's Fine Ice Creams was founded in Santa Barbara, California in 1949. We make our ice creams from scratch, using the finest local, sustainable and organic ingredients, from partner farms & purveyors we've worked with for decades. No preservatives, no stabilizers and no additives. Ever. A sweet, 70-year legacy of churning out the world's finest ice creams.
