AIX EN PROVENCE

GIFT OFFERING, 2018

WELCOME TO BASTIDE

“Ten years ago, we started spending more time in Frédéric’s hometown of Aix-en-Provence. The air felt softer, the sun shone brighter, and people took the time to enjoy everyday pleasures. Inspired by this vibrantly authentic lifestyle, which we call la douceur de vivre, we launched Bastide, a collection of beauty and wellness essentials. We introduced a range of natural skincare, exquisite fragrances, and luscious candles, all lovingly and passionately made in Provence using French beauty techniques passed down through generations. Welcome to our home.”
