

# FRIDAY SOCK CO.®

Hooray!

You've been inducted into the Monthly Sock Club!  
We're excited to have you for the next \_\_\_\_ months.

Be sure to thank \_\_\_\_\_ for giving you this magnificent and thoughtful gift - they've got great taste!

Super Important info that you must absolutely read right away:

### What socks will you get?

No idea. Socks are picked at random by our sock monkey, Fred.

### When do they get delivered?

Although we try to keep our socks delivered the same time each month, timing can range depending on a number of factors including stat holidays, shark tornados, etc. If the socks are beyond a normal delivery delay, please email us so we can check on the status of the package. They are sent out from Calgary, Alberta, on the 15th (or following business day if the 15th is a holiday) each month.

### Address change?

Cool! Email us: [customerservice@fridaysocks.com](mailto:customerservice@fridaysocks.com)

### All of our socks are proudly gluten-free. You're welcome.

Friday Sock Co. is a premium, Canadian sock brand which features a unique concept called "mismatched by design." Each pair is purposely designed to perfectly mismatch and put a smile on the wearers' face.

If that isn't special enough, Friday Socks are ethically made in Italy using OEKO-TEX® certified Egyptian combed cotton. Plus, a portion of all proceeds are donated to charity or put towards fundraiser campaigns with one-of-a-kind sock designs - improving the world one foot at time.

Disclaimer: People have reported spontaneously jumping for joy after putting on a pair of Friday Socks. If you are prone to spontaneous joy-jumping, please do so in a safe place.
